Telegraph (Unionist), says: When the leader of the Canadia Opposition asserts that 'defence, like charity, begins at home,' it is diffito reconcile such a declaration for the Empire in the past, or with any imperial conception of co-operation for the future. It is apparent that in dealing with naval affairs Sir Wilfrid is moving in an unfamiliar atmosphere, using terms of strategic significance which he does not under-

Naval Conference.

The Canadian ex-Premier is reported to have remarked that Great Britain, in pursuance of her 'new naval strategy,' has concentrated her fleets in home waters, whereas formerly she had vessels in every sea There is no new naval strategy. The strategic principles underlying disposition of fleets have undergone no change. Owing to developments on the continent of Europe we have today more than one sea frontier; it is necessary to build up a considerable naval force in the Mediterranean, which is a vital artery of imperial relations and important trade, vital to Canadian interest, Canadian credit and commerce.

look for the cause.

London, May 7 .- Commenting on The Telegraph then throws out onto on Monday night, the Datly of naval problems in the dominions points to an absence of unity of thought between the admiralty and statesmen overseas. The only remed for this increasing confusion word and act is a conference. The mistake committed last summer was with the recognition of world-peace mistake committed last summer was which the British navy has assured in dealing with Premier Borden in solution. There should have been conclave of the Empire. Only thu ould the late unhappy incidents in anada have been prevented. time was then ripe for a free and full exchange of views between the imperial ministers and their naval and military experts on one hand and responsible ministers from the overseas tates on the other. The opportunity will occur again as soon as the nava bill has passed the Dominion House

of Commons. Empire Will Suffer.

"The whole Empire will suffer in prestige if the imperial aid offered by the Canadian Government is after all withheld by a vote of the Senate, as Laurier's speech suggests. The mere possibility of such an affront to a re- ings, tenement houses, with a loss of ponsible cabinet and to the ideal it \$75,000. herishes ought to be avoided at all

"The people of Great Britain, enornously as they value the co-operation of the dominions in defence, would rather spend hundreds of millions pital treatment.

Mistake Made.

the fact that it was a grievous mistake to have excluded the Thorne letter originally, since it put the Government in the position of having something to conceal. Now that the letter

As a friend of both Premier Whitney justified or not, it was bad political tactics, and, for that matter, bad citizenship. tactics, and, for that matter, bad citizenship.

"The best proof that this is so is that the Thorne letter has now become public property, as it was bound to deliver in them and their Government, the Standard urges them to let the fullest light be turned on in the Taylor matter. Concealment, evasion, or legal quibbling can only do harm."

WEST LONDON PROGRESSIVES OBJECT TO AN OUTSIDER AS PUBLICITY COMMISSIONER

Claim Is Made That Owing to Absence of Some Members of Manufacturers' Committee the Appointment Was Not Strictly Legal-Hot Shot for the Mayor.

"That this association does not approve of the appointment of an outside man for the position of publicity commissioner for London, and we believe that the appointment was not strictly legal."

The above resolution was passed manimously by the West London Prounanimously by the West London Progressive Association on Wednesday evening after a lengthy discussion of the recent appointment, whereby Mr. R. McDonald, of Guelph, was made publicity commissioner for this city, and in which the manufacturers' committee of the city council. Ald. Spitted mittee of the city council, Ald. Spittal

SENT FOR TRIAL ON

CHARGE OF MURDER

Robert Gordon's Counsel Requested
Manslaughter, But This Was

Refused,

[Special to The Advertiser.]

Seaforth, May 7. — Robert Gordon committed to trial
at Goderich for the murder of his father. Hugh Gordon committed to trial
at Goderich for the murder of his father. Hugh Gordon of McKillop
Township, whom he struck over the head with an iron bar. Magistrate
Holmstead declined to reduce the charge to manslaughter, as asked by the prisoner's counsel.

Sit witnesses were head on the desired and said that it was a sentimental couples bent on matrimony will be compelled to approach in the subject, and said that it was a disgrace that the council had seen fit to appoint an outside man in the city who is a general knowledge of the city. The matter should have been given over to the board of trade. He subject, and said that it was a disgrace that the council had seen fit to appoint an outside man in the city who is a general knowledge of the city.
