VOICE OF THE PEOPLE P

To the Editor of The Advertiser: In his address, delivered before the Ministerial Alliance, an account of which was published in a recent issue

of your paper, Dr. McCallum referred Mrs. Eddy got her ideas from Quimby, inferring that Christian cience and hypnotism are the same. This charge, although refuted so often, is persistently reiterated by some who, not understanding Christian Science, confuse the two. Even a slight acquaintance with Mrs. Eddy's writings would convince anyone, desirous of knowing the truth of the matter, that there is not the slightest similarity between her teachings, and the

views held by Dr. Quimby, who was a

smerist, pure and simple, and any healing accomplished by him was the result of mental suggestion. In the "Life of Mary Baker Eddy," by Sibyl Wilbur, which may be obtained in many public libraries and most Christian Science reading rooms, will be found an authentic accunt of Mrs. Eddy's acquaintance and dealings with
