MILEAGE AND MONEY-

TWO main factors in purchasing tires The tires we are offering at the low prices shown below are the best tires prices shown below are the best tires on the market—that guarantees the mileage end of it. The money end of it speaks for itself. It is a great mistake to think that because the price of a tire is away below the price ordinarily asked that there must be something wrong with the tire. These tires have nothing what ever wrong with them. We buy them right and we sell them right—that is the answer. Come in today and get your set.
