## fFrom THE DAILY COLONIST, June 17.1

H. M. S. "Imperieuse" Arrives to Relieve the Royal Arthur, Which Sails Friday.

The Well Known Excursion Steamer "Queen" to Be Remodelled and Greatly Improved.

Looking a little weather beaten but quimalt at 8 o'clock yesterday morning, suit the enterprising company operating ther. The Juneau Searchlight says: "Preparations are now under way for 5th of March last to relieve H.M.S. lay a malleated track from the stamp mill to the ore bin on which they will the Imperieuse is Admiral Stephenson's successor, of whom the Naval and Military Record of some time ago had this

to say:
"Rear Admiral Palliser, who succeeds Rear Admiral Stephenson in command it will be possible to turn out when of the Pacific squadron, is a Crimean sprightly form does not suggest such a thousand tons of rock per day is perhaps long service, yet he was engaged in the night attack on Sebastopol. For some years he was commodore at Hongkong, and while there was called upon to protect British subjects derived to the protect British su tect British subjects during one of the also be made. Some alterations will bered because of the fatal explosion in buildings will be erected and five more curred at the same time. The Imperi- number, making it a twenty-stamp mill." euse is officered thus:

Rear Admiral Henry St. L. B. Palliser; Captain C. H. Adair; Fleet Paymaster G H. A. Willis, as secretary to Rear Admiral Palliser; Lieut. John K. Crawley as flag lieutenant to Rear Admiral Palliser. Executive officers, Commander Somerset A. G. Calthorpe; lieutenants, William O. Boothby, now of the Royal Arthur; James C. Ley, Francis W. Melville, William B. Macdonald, Ernest H. Dobbin, Walter E. Woodward and Algernon J. Hotham. Hugh H. Barton is to come out on the Imperieuse and take Lieut. Boothby's place

ant paymaster, Percy J. Ling. Staff engineer, Thos. H. Hyde; engineers, Frederick C. Davis and Richard C. Cleave. Fleet surgeon, Robert W. Williams; surgeons, Henry W. Green and Thomas W. Phillips, M.A., M.B.

Sub-lieutenant, Douglas A. Tainforth.
Chaplain, Rev. Charles E. Painter, M.A.
Naval instructor, Stanton F. Card, B.A.

Midshipmen, Wm. R. Alexander, Robert A. Rice, Robert R. Gossett, Roger De G. Kenyon, Cecil V. Usborne, John F. H. Cole, Harry T. Moore Arthur C. Many and nine applications for membership were made, making a total of thirty new members this year.

Owing to the description of the first property of the description of the first property of the first prop Cole, Harry T. Moore, Arthur G. Muller. Naval cadets, Ernest L. Cardale, John Casement and Walter Dasent. Carpenter, Charles Dean.

On the voyage to Esquimalt the ship maintained an average speed of 10 knots, points of call en route were Madeira, this city. points of call en route were Madeira, St. Vincent, Montevideo, Sandy Point, Coquimbo, Callao, and Acapulco. At the last mentioned place the only mishap of the trip occurred, a carpenter named George Smith dying of fever. It was just after passing through the Straits of Magellan that the ship met her first bad weather. Every dish in the mess room was broken and tons of water considerable.

LAST Saturday's issue of the New York Truth, the most artistic illustrated weekly of America, contains a clever storyette from the pen of "Madge Robertson," Mrs. A. T. Watt, of this city. "The Serious Question Which" it is entitled, and its charm lies chiefly in the brightness and easy flow of its dialogue. The sketch is most artistically room was broken and tons of water condialogue. The sketch is most artistically tinually swept the deck while the storm When Coquimbo was reached the Wild Swan was met with and the latter started from there the same day as the Imperieuse's departure on a trip among the Southern islands before com-

## A MOTHER'S THANKS.

DID FOR HER CHILD.

[Aylmer, Que., Gazette.]

Of all the discoveries made in medicine in this great age of progress none have done more to alleviate human suffering than have Dr. Williams' Pink Pills. We suppose there is not a hamlet in this broad land in which the remarkable healing power of this favorite medicine has not been put to the test and proved triumphant. It is a great medicine and the good it has accompressed a wish to hear of the chairman also, obligingly came forward, amidst applicable.

Speaker present to argue the point with him, when someone at the back of the hall remarked that "Mr. Cassidy is here." Mr. McDonell immediately expressed a wish to hear Mr. Cassidy, and that gentleman being then invited to the pirtform by the chairman also, obligingly came forward, amidst applicable.

that he thought Mrs. Smith could probably give the particulars better than himself. Mrs. Smith said that about a year ago Minnie was attacked with St. Vitus dance, of a rather severe nature, and a number of medicines were tried, but without any effect upon the trouble. An electric battery was also used but had no beneficial effect. The trouble appeared to be getting more severe, and finally Minnie was obliged to discontinue going to school, having lost the power that he thought Mrs. Smith could probably give the particulars better than himself. tinue going to school, having lost the power of her right side. Her speech was also so much affected it was with difficulty she ed. Mr. Cassidy left the platform amidst for about six months and all this time she and Conservatives in the hall. was undergoing treatment, which however, proved ineffective. One day Mrs. Smith saw in the Gazette the particulars of a case of St. Vitus dance cured by the use of Dr. Williams? Fight and determined to the gentleman whom he and the chairwilliams' Pink Pills, and determined to try them with Minnie. By the time two boxes were used Mrs. Smith was sensible who had not said one offensive word of a great improvement in her daughter's throughout his address. That fact did condition, and after the use of four more boxes was satisfied that Minnie was completely cured, as no symptoms of the trouole remained. This was about the end of June last, and since that time there has not been the slightest recurrence of the dread disease. While Minnie was taking the pills ture, remarked, "I don'tknow what you her weight increased, and her general health was much improved. Mrs. Smith also said tongued, rattle-headed thing anyway." that her younger daughter showed symptoms of the same trouble, but the use of
