LONG STANDING SCIATICA

Completely Cured by One Box of
Father Morrissey's No. 7 Tablets.

Sciatica is hard enough to endure, and
harder still to cure, in many cases, with
ordinary remedies. Caused, like rheumatism,
by impurities in the blood, which
in this case set up an irritation of the
sciatic nerve, it is so difficult to get at
with external applications that many
sufferers try in vain to get relief.

Mr. Charles Maclellan, of Summer-
ville, P.E.I., was in just that position un-
til he started to take Father Morrissey's
"No. 7." He writes:
"After trying several doctors and
spending large sums of money without
avail, I was completely cured of Sciatica
of long standing after using one package
of your Medicine (No. 7 for Rheumatism)." No
matter how long you have suffered
from Sciatica or Rheumatism of joints or
muscles—no matter how much medicine
or liniment you have used without result—
try Father Morrissey's No. 7 before you
give up. It has restored health to many
who were almost hopeless.

IN THE PROBATE COURT OF
ESTROUPE COUNTY

To the Sheriff of the County of
Restigouche, or any Constable within
the said County, Greeting:

WHEREAS David A. Marquill,
sole executor of the last will and testa-
ment of James S. Marquill, late of
the town of Dalhousie in the said
county, Barrister-at-law deceased, has
filed in this court an account of
his administration of the estate of
the said deceased, and by his petition
dated the seventeenth day of July,
A.D. 1911, has prayed that the same
may be passed and allowed in due
form of law, and also by his said
petition, has prayed that license may
be granted to him to sell or lease the
whole of the lands of the said deceased
within the said County of Restigouche,
or such parts thereof as he may see
meet and necessary, to pay the debts
of the deceased, his personal estate
not being sufficient for that purpose.

You are therefore required to cite
the heirs, next of kin of the deceased,
and all the creditors and other persons
interested in said estate, to appear
before me at a Court of Probate to be
held in and for the County of Restigouche,
at my office in the Town of Campbellton
in said County, on MON-
DAY, the TWENTY-FIRST DAY OF
AUGUST NEXT, at ten o'clock in the
forenoon, then and there to attend the
passing of the said account and appli-
cation for said license.

Given under my hand and
the seal of the said Probate

Newcastle Board of Trade Will
Send Delegates to the Capital.

Newcastle Board of Trade met
in adjourned session Friday night,
P. HENNESSY, president, in the
chair.

The Secretary reported having
sent on the ninth the following
telegram:
"A. W. Campbell, Esq.,
Chairman Managing Board
Canadian Government Railways
Ottawa Ont.
"We are instructed by the New-
castle Board of Trade to wire you
as follows:

"At a meeting of the Newcastle
Board of Trade just held, members
were surprised and greatly dis-
appointed that no advice had yet
been received from you that you
are taking steps to meet the wishes
of petitioners from Newcastle and
up river sections to extend present
local train service to Doaktown, in-
volving only a trifling additional
expenditure to meet legitimate
trade requirements of these sec-
tions. An enormous expenditure
has recently been made by your
board to accommodate residents of
Chatham, Newcastle and up-river
sections therefore cannot under-
stand why their business interests
should continue to be seriously
discriminated against by delay in
consideration of such a reasonable
business proposition, as the present
one certainly is and involving such
trifling additional expenditure.

"There is no necessity of waiting
to erect turn tables at Doaktown.
Present train ran 23 years from
Indian town to Newcastle tender
first and this can be done from
Doaktown to Blackville.

Over a year has already been
taken up in presenting claims of
Newcastle and up-river sections of
this small extension in the local
train service and in view of the

growing necessities of these sec-
tion-petitioners now consider im-
mediate action should be taken by
your Board.

Please wire reply in time for
adjourned meeting on Friday,
August 11th.

Newcastle Board of Trade
P. HENNESSY, Pres.
E. A. McCURDY, Sec.
A copy was also sent to Mr.
Loggie at Chatham.

Answer to message was as fol-
lows:
Ottawa, Aug. 10.—E. A. McCurdy
Newcastle N. B.
Your message of ninth received.
Matters referred to were fully con-
sidered at the last board and
board could not see their way clear
to alter the present train arrange-
ments.—Signed A. W. Campbell.

Ald. Clark and John Ferguson
moved that a delegation be ap-
pointed by this Board to go to
Ottawa to interview the minister
of Railways and canals and other
members of the cabinet on the
matter.

E. A. McCurdy was named a
delegate.

On motion of J. Ferguson, Mr.
McCurdy was empowered to select
his two colleagues.

W. A. Hickson thought that
President Hennessy should be a
delegate, as he is a strong Liberal
and has wide wholesale interests.
Delegation should be of all shades
of politics.

Pres. Hennessy emphasized the
inconvenience to which the up-
river sections are put to by lack
of railway facilities. Railway
Board appears dumb to our prayers.
This is a perfectly non political
question. He could not go to
Ottawa.

Adjourned.

WHAT! They Need
Painting Again?
Let's Buy

Amatite
ROOFING
It Needs No Painting

A MATITE has a real mineral surface; it needs no
paint to protect it. In rain and sun and snow and
hail, Amatite takes care of itself. It needs no
coddling; there is no maintenance cost. You lay it and
leave it.

The mineral surface is durable, permanent, absolutely
weatherproof, unaffected by climate, insoluble in water,
not injured by smoke.
Amatite is easy to lay. No skilled labor is required.
You simply unroll it on the roof, and nail it down with
nails which we supply to you. Cement the laps with the
adhesive cement which we also supply free packed in the
center of the roll.

Amatite costs no more than the kind of roofings that
require constant painting. You get twice as much weight
of roofing for your money as you do with other roofings.
Sample free on request. Address nearest office.

Everjet Elastic Paint Creonoid Lice Destroyer
and Cow Spray

Save money by using this black paint
wherever the color is no objection.
Elastic, heat-proof, durable. Use it for
roofings and all exposed iron and wood.

Spray the hen house regularly with
Creonoid to kill disease germs, repel
insects, suppress odors and prevent the
spread of contagion. Sprayed on cattle
it keeps the flies away, and the cows
thus produce more milk.
