MAIL ORDERS

We solicit out of Town orders, which receive
our personal attention. The length of time tak-
ing to fill orders is governed largely by how
busy we are in the department of our factory in
which the particular goods are made. While
we have excellent facilities for promptly
turning out goods, it is important to place or-
ders as far ahead as possible. Orders are filled
by us in the rotation in which they are received,
and customers can always depend on our doing
everything in reason to give prompt despatch.

A MERRY WAR IS ON IN NEWCASTLE

**Miramichi Hotel is Closed and
Citizens Take Sides in the
Fight Over Scott Act En-
forcement.**

The town of Newcastle is much
aroused over the denouncement
that has followed the attempt to
rigidly enforce the Scott Act and
many opinions are expressed pro
and con on the subject. The Mir-
amichi hotel closed its doors after it
had stood repeated fines and a raid
in which about \$300 worth of liquor
was seized and will be destroyed by
order of the court. The manager
states that in consequence of the
orders he had received from the
police he had stopped selling all
liquor but before he had a chance
to send this out of the country the
hotel was raided and the goods
taken. Even if he had not been
selling he understood that the fines
were to go on for past offences
against the act and rather than suf-
fer such heavy, and from his stand-
point unfair losses, he closed up the
hotel after acquainting his brother
who is in the west with the state
of affairs and receiving a communi-
cation from him to the same effect.
The house did not pay without the
operation of the bar and it is a
smaller loss to pay the \$10 rental
each day and take nothing in, than
to run the house. The house is not
a public property as many suppose
and it can be closed or opened at
the proprietor's will, though natu-
rally the latter would not close it if
he could get along in any other way.
The hotel now has all its blinds
down and presents a far different
appearance from the normal busi-
ness and activity that it generally shows.
The yard is closed by a high gate
of boards roughly nailed together
and the yard which usually contains
a half-dozen teams of guests and
occasionally a few autos is now the
sole property of the hotel's cow
which provides the necessary laqueal
fluid for the few who remain in the
house for its protection.

Speaking with some of the coun-
cil who are in favor of the strict en-
forcement of the act, the opinion
seemed to be general among them
that the fight would go on and the
aldermen would not give in, though
what steps they were taking to avoid
accommodations for the public un-
der the unusual circumstances could
not be learned. The inconvenience
to the travelling public is no small
one and merchants are finding that
the travellers who carry heavy lines
of samples are unable to display
their goods in the town and already
some have informed the Newcastle
buyers that they must come to
Chatham to inspect the lines they
carry. A large number of the up-
river citizens seem to have taken
sides with the hotel management
judging by their actions on last
Saturday night. It is said that
about ninety of them came down in
the Dorothy No. 2, but that when they
found they could not get a bottle or
even a quencher for their thirst they
refused to make their customary
purchases in the stores and inform-
ed some of the shopkeepers that
under the circumstances they would
do their buying in both lines of wet
and dry goods elsewhere.

The county court met at New-
castle yesterday and provision had
to be made for the judge and some
of the outside lawyers in private
houses.

The contest will certainly be
watched with interest not only in
Newcastle but throughout the
county—Gazette.

cluding baseball game with probably
Van Burin, a five mile road race, and
other attractions at the firemen's
sports. Automobile parade, proces-
sion, bands and fire work display
will all add their quota to the days
enjoyment. Full details of the pro-
gram will be announced later, when
the transportation arrangements are
fully completed.

WHAT IT MEANS
July 11th 1912 will be the second
anniversary of the great fire when
but for the exception of a few houses
Campbellton was laid desolate. On
July 11th 1912, there were 850 per-
manent buildings, and for the year
ending Dec. 31st 1911, 206 building
permits representing a value of \$596,
000 were issued. Truly a marvel-
ous growth.

This celebration is to show the
people of this and other provinces
what we have done in the way of
town building, an achievement of
which we are proud, and an example
worthy of copying. What are you
doing to help in this?

DAVID RUSSELL SUED FOR DEFAMATION

**Action Brought As a Result of
Russell's Evidence In
"Conspiracy Case"**

Montreal, May 31.—The inscrip-
tion prepared by Mr. David Russell,
through his attorneys, in the case
of E. R. Carrington, plaintiff,
versus David Russell, defendant,
was dismissed with costs, in a
judgement given yesterday by
Judge Laurendeau, in the practice
court, and the ground is now clear-
ed for the main case to proceed on
its merits.

The judgement given yesterday,
and the defendant's inscription,
deal mainly with the privileges of
a witness and his immunity from
damage suits afterwards. In the
case the plaintiff is suing defendant
for defamation and he claims \$25,
000 damages.

In the former case Mr. David
Russell had been plaintiff, and had
sworn that the plaintiff had been
party to a conspiracy against the
present defendant in order to have
him incarcerated in a lunatic asy-
lum.

selves in the work will find at the
Convention opportunity for so do-
ing.

Come prepared to help and be
helped, 1st Session is Tuesday even-
ing Tuesday June 11th. All Sunday
School throughout the two Counties
are entitled to send delegates.

A good musical program is being
arranged by Mr. J. G. MacColl,

ORANGEMEN MEET AT FREDERICTON

**Sovereign Grand Lodge Com-
pletes Interesting Con-
vention**

Fredericton, May 30.—The Sov-
ereign Grand Orange Lodge of
British America, which opened its
83rd annual meeting on Wednesday,
is expected to have an unusually
short session here. At noon today
it was said that it was not unlikely
that the business would be all con-
cluded some time tonight, so that
delegates would be able to leave for
their homes to-morrow morning.
There is nothing of a contentious
nature to come before the Grand
Lodge, and with a smaller attend-
ance than usual it is not expected
that the sessions will be protracted.

This morning there was a formal
civic welcome, Mayor Hooper and
Ald. Guthrie visiting the Grand
Lodge, and, on behalf of the citizens,
welcoming the delegates.

On behalf of the Grand Lodge,
Grand Treasurer W. J. Parkhill, of
Midland, Ont., and Mr. Fred Dane,
of Toronto, replied.

Afterwards an address of welcome
was read by County Master E. H.
Clarkson, of Stanley, on behalf of
York County Lodge.

Considerable time was taken up
with the report of the committee on
legislation, and this afternoon the
committees on finance, correspond-
ence, etc., are expected to make
their reports.

Towards the close of this morn-
ing's session Sir Mackenzie Bowell
and Hon. Dr. Sproule, M. P., on the
invitation of Dr. H. V. B. Bridges,
the principal, and accompanied by
Mr. O. S. Crockett, M. P., visited the
Provincial Normal School. The
students gathered in the Assembly
Hall, and addresses of an appropri-
ate nature were delivered by Sir
Mackenzie, Hon. Dr. Sproule and
Mr. Crockett. The proceedings
closed with the students joining in
singing O Canada, and the Nation-
al Anthem.

Sir Mackenzie Bowell has a close
rival in the race for the honor of
being the oldest Orangeman in at-
tendance at the Grand Lodge Ses-
sions. Sir Mackenzie has been an
Orangeman for sixty-seven years
and is in his 89th year, while
Howard Segee, of this city, who is
in charge of the door at the Grand
Lodge session, will be sixty-six years
an Orangeman if he lives until this
fall, and is about 80 years of age.

DALHOUSIE

On account of the inclemency of the weath-
er on Victoria Day many plans fell to the
ground. Our stores were closed but the
usual picnics and fishing parties did not
take place, although some of our citizens
ventured into the country in a pouring rain.

During the evening of the 24th a very en-
joyable dancing party was held in the spa-
cious rooms of the Royal Hotel. Those
present were Mr. and H. A. Hilyard, Mr. and
Mrs. C. H. LaBelle, Mr. and Mrs. James
B. H. Soter, Mr. and Mrs. Frank Barthe,
Mrs. Peter Sheehan, Mr. and Mrs. Fred

Music was furnished on piano and violin
by a committee of young ladies of Miss Ger-
aldine Sheehan, Stella McKenzie, Gladys
Haver, Alma LaBelle, and Florine
Doherty.

Refreshments were served about midnight
which after dancing continued, a most de-
lightful party came to a conclusion with the
singing of Auld Lang Sing and the National
Anthem.

The chaperones were Mrs. Hilyard, Mrs.
LaBelle, Mrs. Sheehan and Mrs. Soter.
