The Economizer

This Grinder is built on new principles—has conical grinding plates. The grinding is done closer to the shaft than in other machines, and therefore uses less power than they. Send for catalogue, giving full particulars.

In three seasons ALBERTS' THOMAS PHOSPHATE POWDER (Registered) has proved itself THE LEADING PHOSPHATE IN CANADA, as it has done elsewhere in the world for the ten years receding its introduction here.

DO NOT BE DECEIVED by agents who may tell you they can supply you the same thing or anything like it. Remember that the ALBERTS' have won the foremost place in the world as manufacturers of manures on the merits of the goods made by them. Try for yourself and be convinced

FRUIT AND ORNAMENTAL Trees

Now is the time to decide what you are going to plant, and where you are going to get them.

Will it not be better to send direct to an old reliable nursery and be sure of getting the varieties you want, free from San Jose Scale and diseases, than to buy of travelling agents who import trees often infected with these pests, and that you have no certainty of being what you want till they bear, and paying higher prices besides? Send for my catalogue, or send a list of your wants and see what I can do for you. Address,

TREES

Our Stock is as Good as the Best

Having an unusually large stock of trees, vines, bushes and plants, both fruit and ornamental, of our own growing, we are compelled to extend our trade, which has hitherto been chiefly confined to the Niagara District. Having no agents, we have no fancy prices to protect, and so offer at very low rates to be in touch with the times. Price list free on application.

Dealers' and Jobbers' orders packed with care and dispatched cheaper than elsewhere. Stock guaranteed free from San Jose Scale. Let us price your wants. We guarantee satisfaction. All Canadian-grown stock.
