# CAMPBELL'S TONIC ELIXIR

This agreeable yet potent preparation is especially adapted for the relief and cure of that class of disorders attendant upon a low or reduced state of the system, and usually accompanied by Pallor, Weakness and Palpitation of the Heart. Prompt results will follow its use in cases of Sudden Exhaustion arising from Loss of Blood, Acute or Chronic Diseases, and in the weakness that invariably accompanies the recovery from Wasting Fevers. No remedy will give more speedy relief in Dyspepsia or Indigestion, its action on the stomach being that of a gentle and harmless tonic, exciting the organs of digestion to action, and thus affording immediate and permanent relief. The carminative properties of the different aromatics which the Elixir contains render it useful in Flatulent Dyspepsia. It is a valuable remedy for Atonic Dyspepsia, which is apt to occur in persons of a gouty character.

For Impoverished Blood, Loss of Appetite, Despondency, and in all cases where an effective and certain stimulant is required, the Elixir will be found invaluable.

In Fevers of a Malarial Type, and the various evil results following exposure to the cold or wet weather, it will prove a valuable restorative, as the combination of Cinchona Calisaya and Serpentina are universally recognized as specifics for the above-named disorders.

Sold by all Dealers in Family Medicines.

## St. Leon Mineral Water

Doing Its Good Work All Over Canada.

A Cure for Almost Every Disease.

Dr. Rowand, Port Physician at Quebec, under date of September 7, 1884, says: "I know from personal experience of several years' standing the virtues of St. Leon Mineral Water. I certify that it is efficacious in cases of Dyspepsia, Rheumatism, Scarlet Fever and Measles. I should not hesitate to use it in cases of Small-pox. I have also cured several patients of Epilepsy of several years' standing by its use, and if Cholera were to break out in Canada I should employ St. Leon Mineral Water as a remedy." This invaluable water is for sale by all leading Druggists and Grocers at only

## Scientific and Useful.

**HORSERADISH SAUCE.**—One teaspoonful made mustard, one tablespoonful vinegar, three tablespoonfuls cream, a pinch of salt; add enough grated horseradish to make it as thick as cream.

**OYSTER SOUP.**—Take two quarts of oysters, wash them in their liquor and strain the liquor, put on the liquor with pepper, salt and parsley; let it come to a boil, then put in the oysters, and let them stew for twenty minutes. Just before taking it off stir.

**MEAT FOR HASHING OR MINCING.**—Meat that is to be hashed, or used on a second day in any way, would always be much better if the slices were cut from the joint or large piece as soon as it leaves the table and soaked in the gravy of the dish until the next day.

**NOTHING LIKE IT.**—"I was nearly used up with a heavy cold, from which I got no relief until I tried Hagyard's Pectorial Balsam. I found it a sure cure. There is nothing like it," says Edward Cousins, Ranson, Ont.

**CUP CUSTARDS.**—These are easily made and handy in an emergency. Break an egg into each cup, add a heaping teaspoon of sugar and a trifle of salt; flavour to suit the taste, and fill nearly full with milk. Set the cups in a kettle or pan of hot water (or a steamer) and steam till done.

**POPOVERS.**—One pint of prepared flour sifted with half a teaspoonful of salt, two cups of rich milk, two eggs; sift flour into a bowl; beat the yolks light, stir the milk and flour into this. Lastly, add the whites whipped stiff. Bake immediately in heated and greased "gem" or muffin tins. Send at once to the table.

THE best testimony in favour of Pyle's Pearlina Washing Compound is the millions of packages sold every year, and sales steadily increasing in spite of the numerous poor imitations.

**MINCE OF HAM AND EGGS.**—Chop the remnants of a ham which will no longer furnish slices for the table, put into a frying pan a tablespoonful of butter rolled in brown flour, a teaspoonful of vinegar, a little pepper and a quarter teaspoonful of mustard. Let it boil and put in the minced ham. Stir until very hot, turn into a pie dish, set in the oven and bake for five minutes, just long enough to "set" the eggs. Serve in the pie dish.

**THE DEAD CANNOT BE RAISED.** nor if your lungs are badly wasted away can you be cured by the use of Dr. Pierce's "Golden Medical Discovery." It is, however, unequalled as a tonic, alterative, and nutritive, and readily cures the most obstinate cases of bronchitis, coughs, colds, and incipient consumption, far surpassing in efficacy cod liver oil. Send ten cents in stamps for Dr. Pierce's pamphlet on Consumption and Kindred Affections. Address, World's Dispensary Medical Association, Buffalo, N. Y.

**DELICIOUS LITTLE FRIED CAKES.**—Beat two eggs well, add to them one ounce of sifted sugar, two ounces of warmed butter, two tablespoonfuls of lukewarm milk and a little salt. Whip all well together, then stir in by degrees one pound of flour, and if requisite, more milk, making thin dough. Bear it until it falls upon the spoon, then set it to rise. When it has risen, make butter or lard hot in a frying pan, cut from the light dough little pieces of the size of a walnut, and without moulding or kneading, fry them pale brown. As they are done, lay them on a napkin to absorb any of the fat.

**UNSAFE.**—"I never feel safe to be without Hagyard's Yellow Oil; for sore throats, colds, swollen glands, etc., it has not failed to give relief, and for my children it is so easy to administer." Mrs. Henry Dobbs, Berridale P.O., Ont.

**FOR PUMPKIN PIES.**—Cut the pumpkin in halves; put in a dripping-pan, skin side up (after seeds are removed), in a slow oven; bake until all that is edible can be easily scraped from a rind with a spoon; if it is as brown as nicely baked bread, all the better; mash finely, and to one quart while hot add one-quarter pound of butter; when cool, sweeten to taste; one pint of milk or cream (if cream be used, three eggs are sufficient; if milk, four eggs will be better); beat them separately, stir in yolks two tablespoonfuls of ginger, one of allspice; add the whites of the eggs, stirring but little after they are added to the mixture; bake in a quick oven.

**Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES,** is prescribed by the Medical Profession because it is not a secret remedy, but a scientifically prepared preparation of two most valuable specifics, that they find of unequalled value for their Consumptive and Emaciated patients.
