MINING NEWS.

The Canadian Gold Fields Syndicate, Limited, are issuing an additional 500,000 shares of Treasury stock at 8 cents. The present shareholders are to have an opportunity of participating in the new issue at the rate of one share in seven.

The directors, acting upon the report of Mr. J. C. Drewry, the managing director, have purchased a property in East Kootenay known as the "Lake Shore Group," and this is the reason given for the new issue.

Vancouver, B.C., July 16.—Steamship Cutch arrived to-night from Skagway with Yukon miners aboard. Purser Turner reports \$200,000 yellow dust deposited in ship's safe. Hugh Lancaster, of Liverpool, Eng., returned with \$120,000 in drafts. He went into the Yukon 18 months ago and secured a claim on Fresh Gulch and had great luck, and is now returning home.

White Pass and Yukon Railway on July 12th purchased, outright, Chilcoot Aerial Tramway, Managers Hawkins and Hugh Williams concluding purchase at Skagway on Thursday.

From Atlin comes good news of amicable settlement of past troubles. Skagway papers say: "Honest Judge Irving's dealing out of justice in Atlin is giving utmost satisfaction to all law-abiding citizens and putting the fear of God into the hearts of claim jumpers. Americans who staked claims prior to the passing of the alien law are allowed full privileges and title to same."

Vancouver, B.C., July 17.—Van Anda smelter on Texada Island, in which New Yorkers and Toronto people are interested, has started up. There are about 2,000 tons of ore on the dump, and the property is capable of producing enough ore to supply the smelter all the time, even if no custom ore is taken from the surrounding properties.
