Rhonmatism - Tried Doctors, all Serts of Medicine and Went to the Hespital in Yain-Dr. Williams' Pink Pilis Cured Him When All Else Had Failed.

From the London Advertiser.

There are two things in this world which Mr. John Gibbons, a resident of Queen's Avenue East, will henceforth place implicit confidence in. One is the Queen's Avenue of his wife and the other the curative qualities of Dr. Williams' Pink Pills. In his case the two worth hand in hand. Mrs. Gibbons thought of the remedy, the pills dul the rest, and to-day Mr. Gibbons is a well man where last Jril he was virtually a cripple. An Advertiser reporter called at the house the occupy Mr. Gibbons, to whom he told the object of his visit, and was cordially invited in. The reporter had no sooner got comfortably seated when Mr. Gibbons went into an adjoining room. The sound of clinking bottles floated through the half open door and when Mr. Gibbons reappeared he had in his arms a whole basket of bottles—all he has to show for many and many a hard earned dolfar spent in useless drugs. As Mr. Gibbons was busy showing the bottles and doscanting upon the impotency of the modicines they had contained, the reporter had abundant opportunity of marking the personal spherarone of the man. It is speech betrays lis English birth and his face still bears the marks of suffering, but his frame is English birth and his face still bears the marks of suffering, but his frame is English birth and his face still bears the marks of suffering the contained, the reporter had abundant opportunity of marking the occasion, and when he tell you that he can work, run, or jump with a heavy to the contained of the house held to the house held to the heavy the contained he had been been and an advent when he tell you that he can mot Canada in 1892 and located at Galt, where is well and favorably known.
