### MORE CONTRIBUTIONS.

THE TIMES is glad to be able to announce two more contributions to the Permanent Endowment Fund: one of \$250 from J. Lorne Campbell, Esq.; the other of \$50 from Mr. Gordon Jennings should have been included in the list given in the Christmas TIMES, but through an error was omitted. It is to be hoped that other Old Boys who are not long out of the school will feel inspired by the example of Mr. Jennings, now an R.M.C. cadet, to "go and do likewise."
