The "Standard" Balls were first placed on the market in 1885; they proved a success at once; whenever placed in comparison with other makers' balls their superiority was promptly recognized, and orders for them came in far beyond our ability to supply them. We have now placed ourselves in a position that we feel sure enables us to fill without delay any orders which you may favour us with during the coming season. Knowing the goods we are presenting this year to be far ahead of all our previous efforts, we expect the demand will be correspondingly great, and are now ready and prepared for it

In place of any elaboration on the merits of our goods we ask the favour of your order for a SAMPLE BOX (containing 16 KINDS, amounting to \$5.00), and which you may return at our expense if, on prompt examination, the goods do not meet your fullest approval.

Our stock of Bats, Caps, Bolts, Gloves, Catchers' Masks, Score Books, etc., is large, varied and complete, which we offer at very low current prices

Our order for Rubber Balls is now in the manufacturer's hands, and are guaranteed to be No. 1 goods.
