

BLACK SILKS.

No house on this continent is in a better position to give the public value for their money in Black Silks than ours. All our Silks are purchased direct from the manufacturers, and as Black Silks are a staple article we are prepared to sell them at a small advance on cost.

No wholesale house in Canada will or can sell Black Silks at lower prices than ours. We show Black Gros Grain Silks at from 50c. to \$3.50 per yard. We have in stock standard brands at "fifty cents," "seventy-five cents," "one dollar," and "one twenty-five" per yard, which we are convinced are quite equal if not superior in value to any goods at the same prices in any wholesale house in this city.

REVERSIBLE WOVEN WIRE DOOR MATS!

(Patented April, 1884.)

MANUFACTURED BY THE
TORONTO WIRE MAT CO., LIMITED.

FACTORY, 38 SOOIT STREET,

SALEROOM, 34 KING STREET EAST.

TORONTO.

Our Mats are specially adapted for Railways, Street Cars, Steamboats, Hotels, Offices, Stores, Jewellers' Shops, Private Residences, and, in fact, any place where cleanliness is desired.

We wish to call your attention to the fact that our REVERSIBLE WOVEN WIRE MATS are far more durable, cleaner, and answer the purpose better than any other Mat in the Market.

No more dirty Mats to shake, thereby filling lungs with dust. Our WIRE MATS clean themselves.

No more muddy carpets to make the wife cross, as mud will not adhere to the feet while passing over our WIRE MATS.

No more dirty snowballs dropping off the heels on the parlor carpet, as the hardest ice or snowball can be easily removed by using our WIRE MAT. In fact it is impossible to give an idea of the great benefit to be derived by all that secure our WIRE MATS, as the thousands of purchasers already will testify.

The only drawback, from our standpoint, is that our WIRE MATS will not wear out, so it stands without a rival as to Cleanliness, Durability, Beauty and Cheapness.
