Liquorice Juice

The Testimony of “The Lancet”

The following is from “The Lancet” of March 30th, 1895 :

“The above brand has long been known to be of standard purity. We found the specimen to be completely soluble in water, and entirely free from impurities of any kind. It is, therefore, well adapted for the pharmaceutical purpose for which it is so useful, while as a popular demulcent it is both safe and reliable.”

Recommended also by “The British Medical Journal,” “Health,” “The Chemist and Druggist,” “Food and Sanitation.”
