

Is HEALTH WORTH THE TROUBLE OF AN EXPENSIVE?—If you think so, sick reader, you are invited to follow in the footsteps of the great multitude who have found relief when they had almost ceased to hope for it, in BRISTOL'S SUGAR-COATED PILLS. The scope of their remedial operation is wide. Not only do they produce the most beneficial effects in all immediate diseases of the stomach, the liver, and the bowels, but in a great number of contingent complaints. In spasms and fits of every description they are considered by medical men of eminence, as well as by the non-professionals, the most thorough of all remedies. They renovate the general system, while they gently relax the bowels, and hence, in cases of physical prostration, whether arising from age, a weak constitution, or a specific ailment, they are invaluable. Where other purgatives would exhaust and sicken the patient, they recuperate and refresh. Their effect upon the appetite is most remarkable. Ordinary aperients create a distaste for food, but they produce a desire for it. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SUGAR-COATED PILLS should be used in connection with the Pills.

THE MOST IMPORTANT ANNOUNCEMENT
SINCE THE
SURRENDER OF GENERAL LEE,
Is that of MCGARVEY'S determination to REDUCE
the Price of his entire STOCK
FIFTEEN PER CENT.

THE Subscriber, in returning thanks to his Friends and Customers for the liberal patronage extended to him during the last 15 years, wishes to inform them of the extension of his SHOW ROOMS and STOCK during the past winter, in order to supply the increasing demands of his business, and especially since his removal to the new buildings, notwithstanding the reports that some of his rivals in trade have endeavored to circulate of his having been sold out and left the place. These statements have been made to many of my customers with the hope that they would take no further trouble in finding out my new place of business. These and similar contemptible statements, which I consider too low to take further notice of, have induced me to make a few remarks. First, I would say that I am not sold out, neither have I left the city, but can be found any time during business hours at my new warehouses, Nos. 7, 9, and 11 ST. JOSEPH STREET, second door from MCGILL STREET. I call on any party in Canada or the United States, from whom I have purchased goods since my commencement in business, to say if I owe them one dollar after due or ever had an external or renewal during that time. If those parties would only devote their time and attention to business as I have done, they would not have to resort to such contemptible means of getting trade. Seeing the desire that exists with a portion of the trade to run me off the track, I am now aroused to a new emergency, and determined to reduce the prices of my goods at least FIFTEEN PER CENT., which is the advantage of the largest and best adapted premises, together with getting up my stock entirely for cash during the past fall winter, will justify me in doing, having given up importing Chairs and Furniture from the States for the last two years, and engaged largely in the manufacture of Cane and Wood Seat Chairs and Furniture of every description, and made the Chair business a very important branch of my trade, having now on hand over 11,000 Cane and Wood Seat Chairs, of 32 different patterns, many of which are entirely new styles. My prices will be reduced on and after Monday, the 17th instant, as follows:—Wood Seat Chairs formerly 35 cents, will be sold at 30 cents, and every other kind of Wood Seat Chairs will be reduced from 5 to 10 cents, large Rockers, with arms, \$1.15, formerly \$1.30, and every style of Cane Seat Chair will be reduced from 10 to 25 cents. The usual line or discount will be allowed to the trade and all wholesale customers. To enumerate my stock would be useless, but I will give an outline of my new buildings and a few leading articles of stock. My present SEW ROOMS were built by myself in 1863, with every facility for carrying on the most extensive wholesale and retail furniture business in Montreal, and is 60 feet front by 97 feet deep. The first floor is used for book and Library Cases, from \$25 to \$100; Wardrobes, \$20 to \$90; Dining Tables \$10 to \$50; Bureaus, \$10 to \$30; and various kinds of heavy and bulky goods. The second floor for the display of fine Parlor, Dining and Chamber Suites, from \$60 to \$250; Fancy Chairs, What-nots, and such other light goods. Also, Solid Mahogany, Walnut, Oak, Ash and Chestnut, with walnut carving, and marble and wood tops. Painted and Grained Suites, in all the different imitations of wood and ornamental colours, with wood and marble tops, varying in price from \$16 to \$75; Hair Mattresses, from 20 to 50 cents per lb.; Geese and Poultry Feathers, from 25 to 75 cents do.; Moss, Husk, Sea Grass and other common Mattresses, from \$2.50 to \$6 each; 30 hour and eight day Clocks, from \$2 to \$15 each; Gilt Rosewood, Mahogany and Walnut Toilet Glasses, from \$1 to \$25 each,—with every article in the Furniture line a equally low prices. A large supply of solid Mahogany and Veneers of all sizes and other Cabinet Lumber kept constantly on hand; with Curled Hair, Webbing Springs, Glue, and every article in the trade, which will be sold at the lowest prices for cash, or in exchange for first class furniture in order to avoid the necessity of having to sell surplus stock at auction. I have always adopted the motto of quick sales and light profits, which has secured for me a steady trade at the duldest season of the year. To those in want of furniture I would say don't take my word, but call and examine the stock and prices before purchasing elsewhere.

If not for my late removal, and the statements above alluded to, I would consider the present notice entirely unnecessary.

TERMS.—Under \$100, strictly cash; \$100 to \$400, three months; \$400 to \$1000, four to six months; by furnishing satisfactory paper.

We seldom recommend a manufactured medicine, believing that, in most cases, nature herself perfects a cure more rapidly and effectually than can be accomplished by the vegetables and minerals of medical science. But in the matter of dyspepsia, there are chronic features about it, which very often defy all efforts of nature to create a healthy action of the digestive organs, and it not infrequently happens that thousands suffer for years, diseased both in body and in mind, from indigestion and its kindred ills. To such, Hooftland's German Bitters, prepared by Dr. C. M. Jackson, are truly a most valuable preparation. It is a tonic medicine, giving a healthy action to the stomach, and will be found highly serviceable at all seasons, but especially during the Spring. Dyspepsia can only be cured by a patient perseverance in one course of treatment; and to all those suffering under this sad malady, we would recommend an application to the Depot of Hooftland's German Bitters, No. 631 Arch Street, Philadelphia.—*Philadelphia Inquirer.*

AYER'S CATHARTIC PILLS

ARE the most perfect purgative which we are able to produce or which we think has ever yet been made by anybody. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the four humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and, being purely vegetable, and free from any risk of harm. Cures have been made which surpass belief, where they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Flatulence of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidney, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions. Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand Ayer's and take no others. The sick want the best and there is for them, and they should have it.

HEART DISEASE, WITH GREAT DISTRESS AFTER EATING, ENTIRELY CURED.

Sault au Recollet, Jan. 2, 1864.

Messrs. Devins & Bolton, Druggists, Notre Dame Street, Montreal:

Dear Sirs—For six years I have been suffering from a disease of the heart and sickness of the stomach, with much distress after eating. I determined to try BRISTOL'S SUGAR-PARILLA, and after the first bottle I experienced great relief, and after using four bottles I found myself entirely cured. I believe it to be my duty to make these facts known, and to say, that I had previously been bled several times, by different physicians from the city as well as from the country, without receiving any perceptible benefit.

It is now six months since I used the last bottle of SUGAR-PARILLA, and I have had no return of my illness.

I have the honor to be, dear sir, your obedient servant,

THEOPHILE PAQUET.

MURRAY & LANMAN'S FLORIDA WATER, from its great celebrity in the South America and West Indian markets, for which for twenty years it was exclusively manufactured, has been extensively imitated in this country. Now, however, the original article has been introduced, and as it bears the distinctive trade-mark of the proprietors, may be readily distinguished by its external from the simulated preparations. The internal tokens of genuineness are still more unmistakable, for 'Murray & Lanman's Florida Water' has the odor of the fresh tropical flowers and plants from which it is aroma, instead of producing a sickening effluvia, as is the case with toilet waters scented with strong essential oils. Be sure that the names of 'Murray & Lanman' are upon every wrapper, label, and bottle; without this none is genuine.

TELL YOUR FRIENDS.—If you are a temperance man, don't be ashamed to acknowledge your principles boldly, before the world. If you experience any benefit or relief from the use of Down's Vegetable Balsamic Elixir, let your friends know it that they may also have the benefit of using it. The Elixir is warranted to cure coughs and colds. Give it to your children for croup. Take it for hoarseness and sore throat.

Cheap Catholic Periodical for General Reading.
"THE LAMP"

New and Improved Series. Weekly Numbers, price 1d. In Monthly parts (post free), price 6d. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing; that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorized to say that 'His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.'

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of his Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-known Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realized. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor—publications which can hardly be called Protestant, because they have no religion, and often openly teach immorality—the success of the Catholic Magazine would be assured. It is its immense circulation, and the support they obtain from their respective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periodicals in a similar manner, it is impossible for them to attain superiority.

THE Subscribers manufacture and have constantly for sale at their old established Foundry, their superior Bells for Churches, Academies, Factories, Steamboats, Locomotives, Plantations, &c., mounted in the most approved and substantial manner with their new Patented Yoke and other

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced,' &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them. The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"I owe much to you, for I verily believe the Plantation Bitters have saved my life."

REV. W. H. WAGGONER, Madrid, N. Y.

"... Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use."

Thy friend, ASA CURRIE, Philadelphia, Pa."

"... I have been a great sufferer from Dyspepsia and had to abandon preaching. ... The Plantation Bitters have cured me."

REV. J. S. CATHORN, Rochester, N.Y."

"... Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house."

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel, Washington, D. C.

"... I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect."

G. W. D. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O.

"... The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business."

H. B. KINGSLEY, Cleveland, O."

"... The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm."

C. C. MOORE, 254 Broadway."

NEW BEDFORD, Mass., Nov. 24, 1863.

Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully,

JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th Street, N.Y., says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, sassy and well. The article is invaluable to mothers.' &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
