Mercantile Summary.

THE damage done to the Hastings saw
mill at Vancouver by the bursting of the
engine fly-wheel is estimated at \$15,000.

AN Ontario order-in-council, dated 21st
September, changes the corporate name of
The National Trust Co., of Ontario,
Limited, to the corporate name The
National Trust Co., Limited.

IN Metlakatla, B.C., John Cunning-
ham, general storekeeper, has assigned.
For many years he has been trading with
the Indians there, but does not appear to
have prospered by it. Possibly he may
have treated his customers better than
many Indian traders elsewhere are re-
ported to have done.

THE annual meeting of the Quebec
Provincial Architects' Association was
held in the City Hall, Quebec, on Satur-
day last. It has now 139 active members.
The president is Professor S. H. Capper;
the secretary, G. O. Monette. A sum of
\$1,000 was voted to the library of the in-
stitution. The next annual meeting will
be held in Montreal.

GREAT relief from the strain of appre-
hension was felt by hundreds, who had
relatives or friends on board the Domini-
on Line steamer "Scotsman," nearly a
week overdue, upon receipt at noon
yesterday of word that her passengers
were safe. She had run ashore in the
Straits of Belle Isle, and her passengers
are probably by this time in Quebec, hav-
ing been taken off by the "Montfort."

D. L. MATHER has secured a contract
from the C.P.R. for from forty to fifty
thousand jack pine ties to be delivered
during the term of open navigation, says
the Keewatin Enterprise. These ties
are being taken out at Eagle Lake, and
will be loaded at Vermilion Bay. The
use of jack pine is a new departure for
the C.P.R. Owing to the scarcity of
tamarac, and the difficulty of handling it
in the summer season, the management
decided to use jack pine in laying some
of the branch lines.

WORD has come from Montreal that on
Tuesday last, the liquidators of the Banque
Ville Marie were authorized by Judge
Archibald to pay a first dividend of 25
per cent. on the circulation of the bank
to note holders. The payment will be
made on October 12th. Holders of
notes will be required to deposit with the
liquidators the full amount of notes in
their possession, and will be handed back
75 per cent., along with payment for the
other 25 per cent., thus obviating the
stamping of bills, removing the danger of
fraud.
