## HAY TOOLS

SPECIALTIES:

Foust Hay Loader; Hamilton Hay Tedder;

### ADVANTAGES OF USING THE LOADER.

No fixed number of persons are required to operate the Loader, but it may be handled by two or three, to suit the circumstances. If a man is without help, he can load with the machine as fast as if he had a man pitching on by hand. If he has a boy to drive, he can load as fast as if three men were pitching on. If a third person is at hand, two men on a waggon (with the machine) load a ton in five minutes. In fact, the speed of the Loader is only limited by the ability of the men on the waggon to place the hay.

Write or ask your Agent for our Circular on Hay Making.
