ANNEX
SCHEDULE OF ROUTES

Code-share services only

SECTION III

Code-sharing services may be provided on the following route in either or both directions by the airline or airlines designated by the Government of Finland:

Points in Finland	Intermediate Points	Points in Canada	Points Beyond
Any point or points	Any point or points	Any point or points	Any point or points

NOTES:

1. Subject to the regulatory requirements normally applied by the aeronautical authorities of Canada, the designated airline or airlines of Finland shall have the right to enter into cooperative arrangements for the purpose of operating agreed services by code-sharing, that is, selling transportation under its/their own code on flights operated by the designated airline or airlines of Canada and/or on flights operated by any third country airline(s). Such operations on agreed services may include the selling of transportation on domestic flights in Canada operated by any designated airline or airlines of Canada. All airlines involved in code-sharing arrangements shall hold the appropriate underlying authority.
2. Notwithstanding Article III of the Agreement, the designated airline or airlines of Finland shall be permitted to transfer traffic between aircraft involved in code-sharing operations without restriction as to number, size and type of aircraft.
3. Notwithstanding Article XI, paragraph 5 of the Agreement, there shall be no limitation on capacity, i.e., frequency and type of aircraft, offered on code-share services by the airline or airlines designated by the Government of Finland.
