

#### **Para 6 Supervision**

1. The operational entities and their activities and decisions are subject to a supervision by the executive board as mandated for by the COP/MOP.
2. The executive board, if mandated for by the COP/MOP, to this Protocol shall carry out sample checks of the performance of the operational entities and the certification process. To this end it may designate operational entities not involved in the chosen certification process.
3. The executive board, if mandated for by the COP/MOP, decides independently or on request of the COP/MOP about which operational entity will be checked upon.
4. If the executive board, if mandated for by COP/MOP, concludes that the requirements for the certification of the emission reductions according to Para 5.2 above have not been fulfilled, COP/MOP may, upon recommendation of the board, decide that the operational entities involved are no longer entitled to certify emission reductions according to Para 5 above.

#### **Para 7 Reporting by Parties**

1. Parties included in Annex I using the CDM shall report annually on their activities under Art.12 KP within the framework of their reporting commitments under Art.7.1 and 2 KP. Reporting under the CDM will follow the guidelines to be developed under Art.7.4 KP.
2. Parties involved in CDM projects shall report in their national communications on CDM projects, on how they have assisted non-Annex I Parties in achieving sustainable development and in contributing to the ultimate objective of the Convention, and how they have assisted Annex I Parties in achieving compliance with their commitments under Art.3 KP.

#### **Para 8 Acquisition of certified emission reduction units**

In accordance with Art.3.12 KP any certified emission reductions which a Party acquires from another Party in accordance with the provisions of Art.12 KP shall be added to the assigned amount for the acquiring Party.
