

AWFUL NERVOUSNESS AND PARALYSIS CURED BY "FRUIT-A-TIVES"

The Miracle Worker, That Cures When Doctors Fail—
Now Used in Thousands of Homes in Every Section of
Our Great Country.

Two Men, From Widely Different Parts of Canada, Tell
How They Found Health and Happiness by Taking These
Wonderful Fruit Juice Tablets.

Walkerton, Ont., May 9th, 1912.

"I have been in Walkerton in business for a good many years and many of my townsmen know that my health, for long periods, was precarious. My trouble was extreme nervousness, brought on by indigestion or dyspepsia, from which I suffered in its most severe form. It was so bad that I could not sleep before about four in the morning. I noticed in The Toronto World one of your published testimonials of how someone had used 'Fruit-a-tives' for similar trouble, and asked Mr. Hunter, my druggist, his opinion on the matter, and he procured several boxes, and I am pleased to say that I now enjoy splendid health and could not possibly feel better. I can eat with every degree of satisfaction, and sleep without an effort, which pleasure I was denied before I was fortunate enough to use 'Fruit-a-tives.' I strongly advise anyone suffering from like complaints to commence using 'Fruit-a-tives' immediately. Don't stop at a few doses—but continue using 'Fruit-a-tives' until a cure is accomplished."

ALEX. McCARTER.

Bristol, N.B., July 25th, 1911.

"I am unable to say enough in favor of 'Fruit-a-tives,' as it saved my life and restored me to health, when I had given up all hope and when the doctors had failed to do anything more for me. I had a stroke of paralysis in March, 1910, and this left me unable to walk or help myself, and the constipation of the bowels was terrible. Nothing did me any good and I was wretched in every way. Finally, I took 'Fruit-a-tives' for the constipation, and it cured me of that trouble but gradually this fruit medicine toned up the nerves and actually cured the paralysis. Under the use of 'Fruit-a-tives' I grew stronger and stronger until all the palsy and weakness left me. I am now well again and attend my store every day and all day. I reverently say 'Thank God! for 'Fruit-a-tives.'"

ALVA PHILLIPS.

MR. ALVA PHILLIPS.

These two cases show the wonderful powers of "Fruit-a-tives" in restoring a shattered nervous system to health and vigor—in entirely curing obstinate constipation—and in completely relieving indigestion and dyspepsia. What other one medicine in the whole world has ever done so much? "Fruit-a-tives" cures.

It is the only medicine in the world actually made from fruit with the addition of valuable tonics. It is pleasant to take and will always give the most gratifying results when taken regularly.

50c a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-tives, Limited, Ottawa.

WINNIPEG CONTROLLERSHIP CANDIDATES.

WINNIPEG, Jan. 10.—(Can. Press).—Ex-Ald. Dan McLean and Allan L. McLean were nominated today to contest the controllership rendered vacant by the death of Controller McArthur shortly after his election. Fred J. Welwood, Alex. McEwen and Jas. A. Eames were nominated for aldermen in ward seven, which is vacant, owing to resignation of Charles Midwinter, who is now a member of the board of control. The elections will be held Jan. 20.

FAMOUS EXPLORER LOST.

CHRISTIANIA, Jan. 10.—(Can. Press).—It is feared here that the famous Arctic explorer, Otto Sverdrup, and a party of sixteen persons who accompanied him on a walrus hunt in Greenland waters have been lost. Sverdrup and his party left Christiania in March 1912, in a motor ship, and since then nothing has been heard from the expedition. Mail sent to a station in South Greenland, where the walrus hunters were to have stopped, has been returned here, marked "uncalled for."

TORONTO FAMILY IN DESTITUTION

City Mission Seeks Out Poor
Family and Furnishes Aid
—Mission Board Holds
Meeting.

On invitation of Missionary Rev. Robert Hall the Toronto City Mission Board held its monthly meeting yesterday afternoon at his home and office, 87 Howard street, in order that the members might have a better conception of the extent and importance of the work under their care.

Rev. Dr. Neil, president of the Mission, presided and an inspection of the premises, including the dorms and store room, was made. The members were surprised and delighted to see the ample provisions for supplying needy ones approved by the missionaries in providing either food, fuel or clothing. They were also pleased with the thorough system adopted by the superintendent carried out so carefully and efficiently.

The treasurer's report was the most satisfactory report submitted for some time.

Mr. Hall read the missionaries' reports for December, which showed very definite work being done in the worst districts of the city. Several striking incidents were given of which the following is a sample: "A few days ago a family was reported by a friend as in sore need, the home is in the centre of a respectable district. No one answered the repeated knocks of the missionary; he opened the door and shouted, but there was no answer; hearing the faint voices of children, he searched from floor to attic, but could find no one; at last a mother and three little ones were found who had shut themselves in a back room to keep themselves warm, for there was neither fire nor bread in the house. The husband had started work but had not got her first pay. Food and firing were at once supplied and mother and children were made happy."

Nearly 1200 persons were provided with material for a substantial Christmas dinner, and many citizens, churches, Sunday schools and other societies sent in most liberal gifts in money and in kind, so that the mission is well equipped for its winter's work.

The mission employs at present three missionaries, but a fourth male missionary is expected to be added in a few weeks. The members of the board were greatly pleased with the progress of the work, and confidently appeal to Christians of all denominations for their hearty support.

VIADUCT APPEAL HEARD ON MONDAY

Strong Deputations From To-
ronto Will Oppose the
C. P. R. at
Ottawa.

That the deputation to represent Toronto at Ottawa, Monday, when the viaduct appeal comes before the cabinet, will be a large one, is assured by the strong delegation decided at meetings held yesterday afternoon by the Toronto Board of Trade and the Toronto Harbor Commissioners. Both these bodies will be well represented.

The Toronto Board of Trade is to be represented by President G. T. Somers, President-elect Col. Henry Brock, Secretary F. G. Morley, and Messrs. Hugh Blain and J. W. Moyes. The harbor board will attend almost in a body. Harbor Engineer Cousins, Secretary Lewis, Harbor Solicitor A. C. McMaster and as many of the harbor commissioners as can leave the city will attend.

TODAY IS THE DAY FOR CYCLOPEDIAS

Present One Coupon at the Office
of The World, 40 Richmond
Street West, or at the Hamilton
Office, 15 Main Street East.

This is the second day of The World's great book bargain. Coupons will be redeemed today at this office, as shown in the coupon printed on another page of today's paper.

Everybody's Cyclopaedia is the name of this five-volume reference work and it contains accurate information on all subjects. It is of convenient size, easy to handle, modern and complete. Every school boy and girl, every man and woman, needs this handy set and cannot afford to miss the opportunity of getting it at the bargain price offered. Today the complete set of five volumes will be given to readers of The World for \$1.98 and one coupon. The regular selling price of this five-volume set is \$12.

Many large and cumbersome sets sell on the installment plan at from \$50 to \$100 each. Everybody's Cyclopaedia is a condensation of the useful information contained in these large sets, but it is carefully "boiled down" to meet the needs of all who require a complete, accurate and authoritative reference work.

Present your coupons today if you wish to be among the fortunate ones. The World guarantees to refund the amount paid by any reader who finds that Everybody's Cyclopaedia is not entirely satisfactory and is represented by the sets are too bulky to be sent by mail, but out-of-town readers may get them for \$1.98, the sets to be sent by express, shipping charges to be paid by the receiver.

Clip the coupon printed in another column of this paper and present it today.

COMMITTED FOR TRIAL.

Robert Snow Sent to a Jury on
Charges of Burglary.

Robert Snow evidently likes the adventuresome life of a common crook. Three weeks ago he demonstrated to the local sleuths that Snow melts when he melted in their grasp, or rather out of their grasp, in front of the Court street station. He is the same Snow who escaped from the Toronto jail a few years ago. He was committed for trial yesterday on two charges of shopbreaking, and one of theft. He is accused of having broken into a store at 1741 Dundas street and having taken a fur-lined coat and some suits, and of stealing some revolvers and a bowie knife from 123 East King street. Also on the morning of his escape he utilized a wheel belonging to another person to aid him in his getaway.

WILLS PROBATED.

Large and Small Amounts Bequeathed to Heirs of Torontonians.

Seven wills were filed for probate in the Surrogate Court yesterday. That of William Flint was the most important. He left an estate of \$22,453, divided among his family. Rev. William Gallagher, Presbyterian minister, left an estate of \$5430 to his wife. Thomas Stiff left \$3000, which will be divided among his widow and four sons. Mrs. Mary A. Giles left \$2000 to her two children. Mrs. J. Weller bequeathed \$1480 to her husband. Mrs.

Special Notice

Proverb Contestants

When the first instalment of correct answers to the Proverb pictures was published on Wednesday, Jan. 8, a slight typographical error occurred.

It was the use of quotation marks, which count neither for nor against contestants. Quotation marks, it should be understood by all, are not a form of punctuation, and do not enter into the construction of the Proverb answers.

No contestant need fear his answers will be penalized or marked wrong where the correct answers are included. So far several thousand sets of answers have been checked, and the average of correct answers is very low.

In comparing the correct answers, contestants should be fair when they discover that they have missed the wording of some of the extremely easy problems. Every contestant who followed the contest closely was duly informed, from time to time, through the announcements that appeared in The Daily and Sunday World, of the privilege to use five answers to each and every Proverb if they so desired.

Liberal allowance was also made in allowing contestants to incorporate the slightly different wordings of Proverbs of the same meaning upon one and the same coupon.

Because contestants did not take advantage of these privileges, or because they failed to follow the instructions closely, is no fault of the Contest Department, and contestants should blame no one but themselves.

The examining and checking of the answers is progressing rapidly, and it is hoped that The World will be able to publish the list of winners in the very near future.

4th Instalment of Correct Answers In The Toronto World's Great Proverb Contest

The examining and checking of the Proverb sets submitted in The Toronto World's Proverb Contest was begun on Monday last, and the work is progressing rapidly. During the examination of the Proverbs The World is publishing each day instalments of the correct Proverb answers. The third and fourth instalments are published today.

CORRECT PROVERB ANSWERS

Nine to Sixteen

9. Jack-of-all-trades and master of none. —Pg. 61
10. When poverty comes in at the door love leaps out at the window. —Pg. 48
11. He burns his candle at both ends. —Pg. 20
12. Straws show which way the wind blows. —Pg. 45
13. Lock the stable door before the steed is stolen. —Pg. 49
14. Money makes the mare go. —Pg. 63
15. Strike while the iron is hot. —Pg. 31
16. When fortune knocks, open the door. —Pg. 50

The fifth instalment of correct answers will appear in tomorrow's World, and contestants who desire to compare the correct answers with their duplicate lists must

MY ELECTRIC BELT CAN CURE YOU

As science advances the more apparent becomes the folly of employing harsh and dangerous measures in attempting to cure the ailments of men. Drastic, dosing and useless cutting have done irreparable injury to thousands of cases. Cure all special diseases of men permanently and by painless methods that cannot possibly produce undesirable results.

Functional derangement, such as premature loss of power, etc., is neither a "weakness" nor a disease. It is a symptom of gland disorder. To stimulate activity by the use of powerful tonics is an easy matter, but such results are merely temporary effects. Most doctors treat "weakness" in this manner because they do not know how to cure the real cause of the derangement. I am employing scientific and successful methods. I use no tonics at all. My treatment is a local one, and corrects every abnormal condition of the vital centres. My cures are real cures.

Dr. McLaughlin:

Dear Sir,—I write to let you know that I am well pleased with your treatment. I feel like a new man. I have gained over twenty pounds, and am still gaining. I would not be without your Belt for what it cost me, and if this one gets played out I will send for another, for it's worth a good deal to have one's health, and Dr. McLaughlin's Belt will give it to anyone when it has helped me.

DAVID CRAWFORD.

Let me treat your case in my own way. Let me apply a steady current of Galvanic Electricity to your weakened system with my Dr. McLaughlin's Electric Belt. Wear this appliance night after night for a few weeks, and it will drive out all those pains and aches; it will restore energy and equilibrium to your nervous system; it will give you back strength and energy; it will give you back the powers of Manhood and make of you a Man among Men.

The Dr. McLaughlin Electric Belt is a cure for all signs of Breakdown in Men and Women. The Vitality of the body is Electricity—the force in the Nerve cells. My Electric Belt will give you back this power and enable you to fight on in the Battle of Life.
