

Not a Game in International On Account of the Weather

RAIN STOPPED OPENING GAMES

Every Game in International
Postponed — New Out-
fielder For the Leafs
—Gossip.

NEW YORK, April 16.—Old Man Jim, after branding the Leafs with his mark, took a flying visit over the International League towns that were scheduled to hold the opening games yesterday, and the Barrow clubs were all idle. A steady downpour was the order in New Jersey all day and the grounds at Newark were a small sized lake.

Every town on the circuit reported the same brand of juiciness and all the games were necessarily cancelled. It is doubtful if the Leafs and Newark will be able to get down to business today. If the rain lets up a big squad of men will be put to work with sponges in an endeavor to get the Newark park in shape, but the officials are not over-enthusiased with the outlook.

The Leafs spent the day in the Bristol Hotel, New York, and it was a sore bunch of ball players. Several of the squad are much overweight and not a game of any kind has been played in eight days. Manager Kelley is especially down-hearted and will not say much for his team's chances when they get into action.

Infielder Schultz is on his way to New York to join the team, and Outfielder Jackson of the Boston Nationals is slated for Toronto. If he is not held up by waivers, Jackson is a seasoned player and will likely be used in the utility role.

President McCaffery paid a visit to Philadelphia in quest of players, but failed in his mission. He also failed to land the Princeton star that he made a special trip to get. These are indeed dog days.

Charlie Isaacs and Pitcher Kubat left New York yesterday for Scranton, where they were sent by Manager Kelley. Catcher Trout will be carried until after the Leafs get home.

Cincinnati Reds have turned Andy Kyle, the Toronto boy, back to the Akron, Ohio, club.

New York fans are hoping for good weather today to get a look at Frank Chance and his Yankees for the first time.

It is not merely a matter of money that is keeping Ty Cobb from joining the Detroit Tigers. The money matter is only a secondary consideration. The Porters Ty refuses to be disciplined like the rest of the team and wants to be treated as a prince. Ty doesn't like to attend morning practices, wants special rooms at the hotels, wants the club run to suit Mr. Cobb and, in fact, just wants the earth with a nice little gilded fence around it. President Navin issues a statement in which he says Cobb has been suspended and if he persists Cobb will have to knuckle under the same as any other member of the club and that he will not be accorded any special favors. Right you are, Mr. Navin.

The Paragon board drew a big crowd of the faithful yesterday and there was much sorrow, weeping and sighing exhibited. If the teams can get together today every play, just as it happens, will be shown. The board is showing at the Star Theatre.

With the filing of \$1000 bonds by each of the six clubs in the league, the New York and New Jersey Baseball League is now an established institution.

This is where they will play today if the weather man has no objections. Toronto at Newark. Buffalo at Jersey City. Montreal at Providence. Rochester at Baltimore.

Galt will enter a team in the Trolley League.

T. L. L. DROPS THE SENIOR SERIES

As It Conflicts With O.A.L.A.
Age Limits — Officers
Elected at Annual
Meeting.

Twenty-four years in existence is the boast of the officers of the Toronto Lacrosse League and still gaining in strength. The annual meeting of the T. L. L. held at the Iroquois Hotel last night was the best attended for some time, and prospects are bright for the biggest season in the history of the club. Several amendments were discussed, the most important being the motion to drop the senior series, which conflict with the junior and juvenile series of the O.A.L.A. Frank Doyle, secretary of the provincial organization, attended the meeting and explained the amendment to the members. After discussing the question, the unanimous decision was to drop only the senior series, leaving the league composed of the junior, juvenile A and juvenile B series.

The following teams were represented: Maitlands Juvenile A and Junior, Elms Juvenile A and Junior, Riverdale Juvenile A and Junior, St. Simons Juvenile B, Carleton Place Juvenile B, and Broadview Juvenile B. It is also expected that Weston and Victoria will enter teams.

Following are the amendments: (1) "That a board of referees be appointed and that all referees be chosen from the above board." (2) "That the O.A.L.A. rules be adopted entirely in the junior series." (3) "That the league be allowed to change players up to half time."

The following officers were elected: Hon. president, F. C. Waggoner; president, J. E. Dundas; first vice-president, W. D. Tognat; second vice-president, W. J. Ferguson; secretary-treasurer, J. R. Richards; 560 Yonge street, phone N. 2092; honorary patrons, R. J. Fleming, L. Solomon, C. Querrie, D. Lamb, F. Doyle, F. R. Sinkins, J. Stevenson, W. H. Hall, N. L. Patterson, W. Ormsby, P. CLEVELAND, April 16.—Cleveland won today, 2 to 1, in a pitchers' battle between Gregg, Cleveland's star southpaw, and Mullin, whom Jennings sent in to pitch in an effort to take home tomorrow a record of more than one victory. Detroit were held hitless until the fifth inning, and not until the eighth did they have a chance to score. Manager Birmingham scored both of Cleveland's runs, the first on a squeeze play.
