WAGNER FAILED TO HOLD ROYALS

Leafs Dropped Second Game of Series by One-Sided Score — The Details.

The Royals turned the tables on the Leafs yesterday at the Island when they slipped a win over to the tune of 7 to 2. Early in the struggle Kelley and his band had great hopes, insomuch as they started well, but these vanished, and subsequently the disaster. After holding the visitors scoreless in their half of the first the Leafs opened a sharp attack with three bingles, and two runs were sent across the plate. Miller, who was opposing Wagner, did not seem to have much on the local boy at the start and the fans were preparing to receive another victory when Wagner faltered. In the third the Royals utilized three safe knocks for two runs, tying up the score. Miller began to improve and Wagner came down to earth for a brief period, giving the locals confidence again. Merrily waged the battle, but the end was in sight. Two singles and an error saw two more of those peasouers saunter down the line between third and home. Jordan had a chance to be a hero in the eighth with Fitz on third, but he struck out.

The feature of the game was the remarkable one-hand stabs of Isaacs and the all-round work of Trout. Score:

RUGBY TEAMS IN EARLY PRACTICES

Varsity Candidates Out Again —Busy at the Beach — News and Gossip.

Varsity turned out another good squad last night, and Bob Sinclair gladdened the hearts of the railbirds by getting into the fray. Several of the second and third teams were on hand, and a great punting duel was the extent of the work. Several new men are expected out before the end of the week. Billy Milne was also on the job last night.

The Capital Rugby Club held a very enthusiastic meeting in their clubhouse last night, at which they decided to have about six teams chasing the pigskin in Ketchum Park this season, including their Junior O.R.F.U. team. It was also decided to call practices for Wednesday night and Saturday afternoon, and a full turnout in uniform is requested. All old members and any new ones wishing to join fast teams will be made welcome. The following officers were elected for the coming season: President, Sam Fitzgerald; first vice-president, Ted Whale; second vice-president, Jas. Garlick, sr.; secretary, W. J. Baker; treasurer, Jas. Garlick, jr.; hon. president, C. W. P. Price; hon. vice-presidents, John Furness and Mr. Romeril; manager Junior O.R.F.U. team, Jas. Garlick, jr.; managers Intermediate City teams, F. Baker and F. Leworthy; managers Junior City teams, Babe Brown and John Dwan.

The High Park Rugby Club made a good showing Monday night, there being enough out for three teams. Kicking practice was the feature. The boys are rounding nicely into shape, and a successful season is assured. They practise Wednesday and Friday evenings of this week at Roncesvalles and Wright avenue grounds. All players are requested to be out early.

The Riverdale Rugby Club request all last year's Rugby players to turn out to practice on the east side of Don Flats Wednesday and Friday nights of this week. Any new players will be made welcome.

The S.T.I.B. Club of North Parkdale Church would like to enter a team in a good Rugby league, age under nineteen. Any league having a vacancy kindly communicate with D. A. Campbell, 119 Sorauren avenue.

It gave the bunch on the Ottawa sidelines a treat to see Bert Stronach out at the initial practice. The big Scot is a tower of strength on the Ottawa line and will be needed badly this season. Stronach, along with Boucher, Kuhn and Emmerson, set a good example for the seniors by getting out at the first practice.

Balmy Beach teams have settled down to hard work this week and will practice on Wednesday and Friday evening. On Saturday it is quite likely the O.R.F.U. team will have a practice game with Argonaut seniors at Rosedale. The following Saturday they go to Guelph to play the Agricultural College there. They are leaving nothing undone to have their teams in the best possible shape for the opening of the season. A full turnout of all the O.R.F.U. team is requested for tonight and Friday, as the boys must be in the best possible shape to make a showing against the speedy scullers.

A Sale of Exhibition Garments and Furnishings.
Did you see our exhibit at the Fair?
Then you will know what this three-day sale means. The very finest specimens of tailoring, of ties, of shirts—every article worthy of a gold medal.

I have this whole exhibit now in my store, and I will place the Fashion Models on sale Thursday morning.
Semi-Ready suits, tailored with precision and skill, every stitch and curve minutely studied by the chief designer.
Specimens of fine tailoring that we can do for $20, $25 and $30.
It will be something to say that you have one of the original models of our chief designer.
When you see these—I can promise you a look at some bargains, too.
Some Norfolk Suits, two-piece, with Scotch wool vests to harmonize, worth up to $25, for $12.50, which price includes a $4 vest.

SPLIT HEATS AT THE OSHAWA FAIR

Five Heats in Each of Two Mixed Races and Both Unfinished.

OSHAWA, Sept. 15.—It was a beautiful day for the opening of the eighth annual fair of the South Ontario Association, held here today. The directors have worked hard to make this one of the best county fairs in the Dominion. The grounds are possibly one of the finest to be seen. The location is ideal, and the track for speeding is one of the very best half-mile courses in Canada. The track record is 2.14¼, held by Knight Onwardo (2.04¼), driven by Nat Ray in 1912. Two races were down for decision today. The 2.50 class, trot and pace, with a very large entry list. Sixteen horses entered and fourteen faced the starter. The second race was the 2.18 class pace or trot, with six starters. The attendance was quite up to the most sanguine expectations for the first day. The entries in all classes are likely the best ever made at any fair in the country. Everthing was in full swing promptly on time. The officials for the racing end of it are: Judges—John Carew of Lindsay, W. R. Proctor and W. A. McCullough, of Toronto; starter, John J. Burns of Toronto; timer, V. Woodruff, of Oshawa.
