Their aim is to clear these instruments quickly rather than stock up in their warehouses. Square pianos are being offered as low as \$50, in payments of \$1 a week, and upright pianos of well-known makers are being sold at \$75, \$90, \$125 and \$250—about half the manufacturers' regular price—on very easy terms of payment.

MOUNT BRIDGES, April 13.—A fatal accident happened at Stover's chopping mill here this morning about 10 o'clock, the victim being George Stover, the proprietor. HAMILTON HAPPENINGS

WANT BREAD DELIVERED IN SANITARY MANNER

Cleanliness Will Be Insisted On—Children's Aid Society Will Maintain Shelter.

HAMILTON, April 13.—(Special.)—As a result of the earnest pleas of Chairman Quinn, of the board of health, and Medical Health Officer Roberts before the legislative committee of the city council, the committee to-night passed a resolution asking the council for a by-law to compel the bakers of the city to deliver their bread to the customers in a sanitary manner. While the by-law will probably not contain the wrapped bread clause, it will enforce cleanliness by all who handle bread before it reaches the consumer.

A sub-committee was appointed to meet the different societies of the city and arrange for a coronation celebration. The question of providing a large convention hall similar to Massey Hall was discussed, but no action was taken in the matter.

At an informal meeting of members of the Fourth Field Battery at the drill hall to-night Major Carscallen announced that after the battery's camp, which will begin at Petawawa on June 3, one man from the unit will be chosen as a member of the detachment of Canadian troops to compete against the English artillerymen in the old country next summer. Lieut. Geo. H. Taylor gave the men a short lecture on shell.

At a conference of the board of control and the Children's Aid Society this afternoon, the society definitely agreed to undertake the maintenance of the children's shelter when it is built by the city.

Rose Croix Chapter A. and A. Scott-Rite Masons celebrated Holy Thursday to-night. The "mystic banquet" was largely attended by members of the Scottish Rite.

Frank Lambers was arrested this afternoon, charged with assault on his brother at the H. B. and A. Club on Tuesday.

Robert Hanne, whose skull was fractured yesterday, remains unconscious at the city hospital.

WAR ON TUSSOCK MOTH

Organizations Urge Need of Action on Board of Control.

A memorial asking that the board of control take liberal action for a war to exterminate the tussock moth has been prepared by a number of organizations interested in the city's advancement.

It is declared that the pest threatens to destroy many chestnut, elm and maple trees. The city is asked to increase the number of men engaged in the work of preparation, that the operations be conducted in blocks, taking in private and city trees, and the cost charged to the general tax.

The memorial is signed by the Arts and Letters Club, High Park District Association, Association, College Heights Association, Rosedale Association, Riverdale Business Men's Association and Guild of Civic Art.

D. Purvis, superintendent of the Lawrence paid 22 visits to one camp and traveled 1250 miles, and addressed 168 men. According to his report, there is nothing like the amount of drunkenness in districts visited as has been in the past.

The following officers were elected: Chairman, H. B. Gofford; Secretary, Thos. Yellowless; treasurer, John McNeiland; general superintendent, Wm. Purvis and Russell Lawrence also spoke, telling of the life in the shanties, and the eagerness of the lumberjacks for the gospel.

Woman Struck by Car.—Mary E. Johnston, an inmate of the House of Industry, was struck by a street car last night. She was carried into Dr. St. Charles' office at the corner and was thence removed in the police ambulance to St. Michael's Hospital, where three stitches were put in her head. She was also severely shaken up.

Auto Struck Bicyclist.—A boy was thrown from his bicycle by an auto, driven by J. P. Leonard, at the corner of Wilton-ave. and Yonge-st., last evening at 5.30. The boy was badly shaken up, but not hurt, but the bicycle was totally spoiled. P. C. C. was quickly on the scene, and it is likely the action for damages will take place at an early date.
