12 Inch Calcite Silver Vein Discovered With Great Possibilities.

COBALT, Aug. 28.—(Special). - A discovery has been made in the 6th concession of the Township of James, which is considered so important that a meeting of the T. & N. O. Railway Commission will consider at an early date the extension of the branch from Englehart to Charlton into the

Elkiake camp.

The new find consists of a 12-inch calcife silver vein, with an abundance of cobalt and cobalt bloom. A small nugget of solid silver has been brought down out of this vein.

A 50-pound nugget, carrying from 25 to 40 per cent. of silver, has been sent to Toronto, and in two hours 400 pounds of rich ore has been sacked at this property. Herbert W. Gates is one of the owners.
