Mr. Thomas Wiseman, widely known in Canada as a horse owner and patron of the turf, is lying at his home here paralyzed, the result of being thrown from his vehicle a few days ago. Fatal consequences are feared.

William C. Morrison, a member of the editorial staff of The Star, died yesterday afternoon, after a lingering illness, at the early age of 30. He was prominent in Oddfellowship circles, and for some time edited a local I.O.O.F. for some time edited a local I.O.O.F.

Duncan McDonald of Sutton is suing the Lake Simcoe Ice Company for damages for trespass across his water lot at Jackson's Point. Between the company's ice house and the wharf there is a space of about 50 yards in the hands of private owners, and across this space the company have to sleigh their ice slabs. They paid a toll of 2 1-2 cents a ton until 1894, when they went to law. Judge Rose declared the water was free and quashed the toll. Last year the company cut a canal through McDonald's ice. He claims that this is a trespass, and is suing the company for damages. Judge Rose will hear this suit also. suit also.

the trouble is not in the skin, itself, but in the system. It is sometimes absolutely dangerous to use outward applications, for if the skin alone is cleared, the real disease is likely to attack some internal organ of the body, where it may prove fatal o life itself.

organ of the body, where it may prove fatal of life itself.

In the majority of cases these unsightly kin diseases are due to two things, weakuess and disorders of the distinctly femine organism, and impurities of the blood aused by them. The woman who suffers rom disease in a womanly way will soon uffer in her general health. Her stomach, iver and other organs will fail to perform heir proper functions, with the result that he blood becomes impure. Left to herelf, she will probably resort to cosmetics and ointments. If she consults a physician ie will tell her that the stomach or livering is at fault. Her distinctly womanly ilment is really the first and only cause. Favorite Prescription. It acts dicetly and only on the delicate and important rgans concerned. It makes them strong rgans concerned. It makes them strong nd well. Then a course of Dr. Pierce's colden Medical Discovery will purify and nrich the blood, and make her a new woman. Medicine dealers sell both remedies. "I cannot say too much for Dr. Pierce's Fa-orite Prescription," writes Miss Clara Brird, of ridgeport, Montgomery Co., Penna., "for the cod it did me. If any one doubts this give then ry name and address."
