Should the weather become cool, then the market should again go for our former quotations.

Potatoes—Deliveries were not quite as plentiful as from 50m to 51 and 20c per bag.

Apples—Deliveries fair, with prices ranging from 20c to 31 and 20c per barrel, the latter price being paid for a few select lots only.

Oranges—The market was fairly large, with prices, if anything, a little easier, at 20c to 26c per box. The latter price, however, was paid for choice lots. The bulk sold at 22c to 25c per box.

Small new laid eggs are becoming scarcer every week, and prices are advancing accordingly. It will be seen by our quotations that the market is not very large. We are paying 11c to 18c per dozen by the case. The bulk sold at about 22c to 25c per dozen.

Poultry—Turkeys sold at 11c to 14c per pound, and at 70c to 80c per duck; 60c to 81c per pair; spring chickens, 40c to 80c per pair, according to quality.

Farmers should remember that there is a good demand for fowl of all kinds, thus well dressed. This class is quickly sold up, while inferior half-starved skinned and poorly dressed birds are not wanted. It will pay to produce the right kind.

FATHER RYAN'S SURPRISE

**Congregation First Heard of
it Last Evening**

HE MADE A LAUDABLE DEPARTURE

**By Taking Up a Collection for the
New Stalls in the Cathedral Sacristy—Father Ryan's Career.**

Before beginning his sermon last evening in St. Michael's Cathedral, the reverend rector, Father Ryan, gave a personal statement that caused a good deal of surprise to the members of his congregation, and will be a matter of much interest to the citizens of Toronto generally. It is a con-

Made a New Departure.

In the diocese of Toronto this celebration has always taken the form of a contribution from all the priests of the diocese, a special collection from the people of the parish, followed by an address and a presentation. Father Ryan has made a new departure. In his address he kept the date of his jubilee so secret that not even his fellow-priests of the palace knew anything about it. However, he had quite a few surprises in store for his parishioners. He himself made his own preparation for the people for several weeks in the form of a "Twenty" He suggested to the members of the diocese to make a collection to furnish the altar. After society to furnish the altar with electric lights. He suggested to the members of the Men's League to present a gift to the altar.

Rer. Dr. Power of St. John's, Nfld., Father Ryan remained in Canada to look after the affairs of the diocese. He was elected to the episcopate in 1902 and reported to Rome. For some years Father Ryan remained at Montreal as mission priest of the Holy Family parish of the Church of the Gesù. From Montreal he went to the United States where he was made pastor of the Holy Family parish of the Church of the Holy Family, Chicago, the largest parish in the world. It is said, after his death, that he had 100,000 communicants in Baltimore. During these years he preached in the leading churches, and gave missions in the United States, Canada, Australia, New Zealand and the West Indies. He visited the United States and Canada, and has the honor of being the only Canadian priest to visit the Vatican and the hierarchy of both churches. He died in 1905 after ten years Father Ryan has been canonized and his feast day is celebrated in St. Peter's Cathedral, What Toronto thinks of him and of the part he took in the history of the Catholic Church in Canada is shown by the grand public reception given in Toronto after his return, and especially in the gorgeous procession of the old and young of the city, headed by the illustrious Archbishop Walsh, when he

presented. He received most cordial greetings from all his old friends in Ireland, and from the Jesuit Fathers of the city, who he continues to cherish the veneration, esteem and love formed in the years of his youth. From the Jesuit Father who most recently visits the old land he will have learned concern with politics and politicians, and he will give his opinion with the same kindness he bears in grateful remembrance.

Victorian Order of Nurses.
The House Committee of the Victorian Order of Nurses held its monthly meeting on Friday, Oct. 5, at the Nurses' Home, 206 Spadina avenue. Mrs. Herbert Mason, convenor, presided. The superintendent reported that during the month of September 42 patients had been cared for, 32 of this number having willing paid a sum of \$1.00 each, and 10 being untrained nurses. Ten patients were not paying; 426 visits had been made, and

The Demon Dyspepsia—in other times, there was a popular belief that demons moved invisibly through the ambient air seeking to enter into men and women and cause them the present day demon, dyspepsia, at large in the same way, seeking habitation in those who by careless or unwholesome living invite him. And once he enters a man it is difficult to dislodge him.
