This motto about Waltham Watches seems big, but nevertheless it is true.

During the war this statement was very true. The British, American and Canadian navies all ran on time supplied by Waltham Watches and Chronometers.

No better recommendation could be given to a product than this.

Waltham Watches are now made in Montreal. Hence you are buying "Made in Canada" goods.

CAMPAIGN CHAIRMAN OF U. F. O.—LABOR IN WOODSTOCK QUILTS

Allen Nesbitt Says No Progress Possible, Harmony Is Lacking.

WOODSTOCK, Oct. 8.—Allen Nesbitt, who was appointed chairman of the campaign committee of the Independent Labor party in support of John Scott, U.F.O.-I.L.P. nominee, a short time ago, has handed in his resignation. He states that too many obstructions were in the way of his discharging his duties properly. Harmony is lacking between the members of the two parties, he said, and little progress could be made when one person was trying to do one thing, and another was attempting to block it.

HIGHGATE, Oct. 8.—Miss Mary McDonald, who has been ill for the past three years, died in the hospital at London on Saturday. The remains were brought to the home of her brother, Roderick McDonald, Oxford, whence the funeral took place on Monday. Interment was made at Purcell cemetery.

At the Majestic "Comradeship."

Showing at the Majestic today, tomorrow and Saturday will be the big British special, "Comradeship." In "Comradeship" a notable cast of famous English artists appear, Lily Elsie, said to have had many proposals from the nobility, famous for her beauty and talents; Gerald Ames, one of England's young leading men, with many others.

Although the picture is strong propaganda against the Bolshevik movement, the word Bolshevik is not mentioned or suggested in any part of the picture. The theme or story is George, in which he said: "I hope the splendid spirit of comradeship, which helped us so bravely to win a final victory, will last for ever in the help of us in the spirit of comradeship alone enabled the British Empire to merge victorious from the world conflict."

It is a picture of clouds and storms, with the bright, glorious sunshine of happiness bringing joy to rich and poor. Its moral is the attainment of a wonderful ideal of a nation through the spirit of brotherly love.
