14 Healthy Swats Collected Off Winters, While Delotelle Allows But Six-Two Triples and Three Two-Baggers in Bag.

London won the second game of the series with Battle Creek 9 to 1 yesterday afternoon over at the West London ball yard before a crowd that made the series with Saginaw here this evening

sters feel right at home-it was so thin. Mr. Winters assumed the mound duties for the Custers and brought a bliz-Eard of 14 hits with him for the London crew, Calbert and Kennedy poling out three-sackers and the latter, Shay and Kuhn, two-ply swats each. Delotelle osing, served up some wintry winds himself, but only allowed six hits, which

he kept widely scattered. After the first frame when Boyle was scored on a sacrifice and Hooker's single to left, the Custers never seriously threatened, only having two left on bases. Kelly was the nearest home after '.e had singled in the fifth and several infield outs at first had pushed him around, but Delotelle worked real stuff over Winters, and he thawed out

In the first Calbert's three-bagger was cashed in as a run by Kuhn's double to right, where they had Kaylor making time in circles. In the second canto a hit was wasted when Crichlow was mowed down at second on Pitt's choice, but Pitt himself made second on a wild pitch and self made second on a wild pitch an scored on Dowling's cunning hit down the third base line. Shay's double com-menced proceedings in the next and he came in on Kuhn's long sacrifice fly to middle. Witry singled here, too. Tonight a meeting of the City Soccer and went to second on another wild League executive will be held at the heave, but Crichlow flied out.

The Custers were smart on the bases the fourth and pared two down on promises to be the best soccer effort the paths, but in the fourth a regular gust of hits struck Winters. Kennedy tripled and was scored by Shay's single. Calbert and Kuhn both singled to right again, the latter's hit scoring Shay.
Witry grounded out and so did Crichlow, but while the play was made on
