St. Mikes and Western U battled to an 0-0 tie in the opening of the Western section of the Intercollegiate rugby yesterday at Tecumseh Park Close to 1,500 people watched a struggle that was every bit as even as the result indicates. With a minute to play, Carroll in a kicking duel returned a punt to Traynor, and it looked like a rouge for the Toronto Irishmen, but Referee Reid ruled that the London half wasn't given yards by the St. Mikes tackler.

St. Mikes' speed all over the lot with some fine running and passing by Le Bel, their dinfinutive half, weighed in even with the Western superiority in the bucks, some good but hesitant passing and Traynor's kicking, went for nothing owing to the slowness of the wings There were only two instances when anybody got down under Traynor's boots, and "Doc Cline, starting from the half line, did the trick one of those

Most of the St. Mikes' kicks went to Cline and he didn't have many runs down the field, but one of the best flashes of play Western displayed was a feint punt by Traynor near the first of the last period, Cline, taking the pass and making a 40-yard dash-the most spectacular of the day.

The action came after a conference lasting more than nine hours. The resolutions will be considered at another meeting November 8, and presented to a meeting of minor league officials at Kansas City November 9, for their approval. All professional leagues will be invited to join with the eleven clubs acting today in the proposed reorganization.

A statement issued after the meeting notified the clubs not represented that they have until November 1 to signify their willingness to join in the reorganization. If they have not come in by that time, the statement says, a 12-club league will be formed without them. Sarnia, Oct. 18.—Gallivan's fumbled punt in last two minutes of play in today's intermediate game here, resulted in Sarnia defeating Petrolea II.—I in the second game of the series putting Sarnia 10 points up with the round half gone. It was anybody's game throughout. The half time whistle had Sarnia's bacon, the Hard Oils being two yards out, with two downs to go when the whistle sounded. The game, while closely contested, dragged at times, the players taking the count with regularity. The locals were strong offenders in this respect, though the Petrolea outfit suffered more actual harm. The game was one of the cleanest ever played in Western Ontario, but one penalty being inflicted, when J. Gallivan and G. Smith came to blows. Karn turned the title when Petrolea had the Sarnia team on the run, as he ran one of Wilson's nuts out from his own of Wilson's nuts out from his own of Ontario with all the cracks from Toand G. Smith came to blows. Karn turned the tide when Petrolea had the Sarnia team on the run as he ran one of Wilson's punts out from his own deadline for 30 yards, putting some sadly-lacking pep into their play. Harding played a stellar game. Wilson was the big noise for Petrolea again, his punting and line plunging heing the bright spots of an otherwise drab situation. The Petrolea line was superior, but their wings were slow in yetting down under Wilson's long boots. Jack Fairbank, son of Honorary President C. O. Fairbank of the O. R. F. U., played his first game of intermediate with the Hard Olis, and made good. Harding scored 6 of Sarnia's 11 points, forcing Petrolea to rouge, booting one to the dead-line, dropping a beautiful field goal over from this twenty-yard line, and converting Cole's touchdown. Degruchy and Buhkhart handled the game without the lineur.

The lineur of the rack was in tip-top shape, and the motorcycle speed artists from all parts of Ontario with all the cracks from Toronto had a great day of it.
