Thomas McGrath was fined \$75 and costs with an option of three months in jail in police court yesterday morning for selling liquor on the steamer Kingston. For selling on the Toronto River Toronto met a like fate.

Another Triumph for the Heintzman & Co. Piano.

In a short time the Sheffield Choir, probably the finest musical organization in Great Britain, will cross the Atlantic to give a series of concerts in the leading cities of Canada. The management have selected a piano of the old firm of Heintzman & Co. to be used at all concerts. Coming closely upon the high compliment paid this firm by the Prince of Wales in selecting a diminutive grand piano for use in his private apartments at the Citadel, Quebec, tercentenary week, citizens generally have reason to be proud of the distinction won by this Canadian house.

WEST TORONTO COUNCIL TALK SUBURBAN LINE

Will go Over Proposed Route With Mr. Royce—Death of County Engineer McDougall.

WEST TORONTO, Sept. 3.—On Monday morning next the members of the West Toronto council will meet at the Suburban Railway Company's office on Dundas-street, and in company with Manager George Royce will go over the Evelyn-crescent route to inspect the proposed new suburban line to Swansea. This procedure was decided on at the meeting of the executive committee to-night, after Manager Royce had explained some difficulties that lay in the way of another route, which is favored by some of the aldermen.

Some remarks were made about the annexation conference on Wednesday at to-night's meeting. "I intend," said Mayor Baird, "to press our claim that West Toronto be made a separate ward." "I don't think there is any necessity for a clause in the annexation agreement referring to the West Toronto officials," said Mayor Baird. "We have the assurance of the board of control that they will be dealt with considerably."

The fate of local option was also spoken of, but the aldermen seemed far from taking an alarmist view of the situation. Whatever the people decide on will be done, was the unanimous opinion.

A street car took fire at Keele and Dundas-street shortly after 11 o'clock last night. The men from No. 3 fire hall were called out, but the blaze was extinguished with a pail of water.

A steel brake rod weighing about 15 lbs. fell from a C.P.R. engine last night thru the Keele-street subway and landed on the street below. No one was injured.

William Belrose of Albert-avenue died last night, aged 96 years.

City Treasurer Jackson to-day deposited in the Citizens' Bank the sum of \$50, presented to the West Toronto fire department by the Union Stock Yards Company.

A picked team from the West Toronto Baseball League will play the Strathconas of Toronto on Saturday afternoon.

NORTH TORONTO.

Court of Revision Confirms Proposed Improvements.

Mayor Oliver yesterday received from Town Clerk W. J. Douglas of North Toronto an official letter requesting on behalf of the town council to discontinue the question of annexation. A former communication along the same lines was thru some oversight mislaid, but prompt acquiescence on the part of the city council was given. It is probable that a date will be arranged for a joint conference within the next few days. The movement has made rapid headway in northern suburb, and the town council and citizens generally are said to be heartily in favor of union with the city.

PICKERING.

Large Concourse Attend Funeral of Late Mr. Reazin.

PICKERING, Sept. 3.—And still there appears nothing new about our school question. The sidewalks are being sanded in places where planks are out. George Davidson & Sons of Cherrywood are exhibiting horses at the fair again.

The funeral of the late W. J. Reazin took place on Wednesday, to the Friends' Burying ground, followed by a large concourse of friends. Deceased was 64 years old and a lifelong resident of the township. He leaves a widow and two sons.

James Richardson, one of the youngest merchants of Pickering, took a wife unto himself on Wednesday, in the person of Miss Florence May Gibson of Manila. The marriage was performed by the Rev. Mr. Bell of Pickering, at the residence of the bride's sister, Mrs. Lorne Squires of the base line. About 60 friends were present. The happy couple, who are highly respected, left on the evening train and will arrive on their journey in northern Ontario. Upon their return they will live in the Logan Cottage, which the groom recently purchased.

NORTH TORONTO NEXT.

Now It's the Pretty Little Northern Town Wants to Come In.

NORTH TORONTO, Sept. 3.—A court of revision was held to-night with respect to the laying of concrete sidewalks and water mains on different streets, and to confirm and apportion the frontage measurements. The sidewalk improvement on Glencairn-avenue, south side, was opposed by Mr. Gilles, acting for Chas. Miller. The petition being sufficiently signed without Miller's signature the court passed this improvement.

These local improvements were passed. Concrete sidewalk on Merton-street, north side, and driveway on Reehampton-avenue, north side, water mains on Erskine and Hawthorne-avenues.

At the meeting of the board of works committee, Councillor S. J. Downes made application for permission to lay a cellar drain from the Eglington Methodist Church, which was granted. He also asked for a bridge from Yonge-street to the church, but the committee could not see their way clear to that, as they refuse to lay entrances to private property. The clerk was instructed to communicate with the president of the Ratepayers' Association re money on hand for the tree planting scheme.

Residents on Smith-avenue complained that Mr. Nelson did not comply with his promise of carrying his surface water from his house on Montgomery-avenue to a paper out-

let. They also asked that Smith-avenue should be graded and a promise to that effect was given.

Apart from passing a few accounts, the only matter that came before the school board's attention to-night was further consideration of the necessity of erecting a new washroom in the northern section of the town.

Mr. Le Gras reported on the purchase of a lot suggested on Yonge-street. Fifty dollars a foot was asked, the price seemingly being prohibitive. A lot on Lawrence's side line was suggested, which would be reasonable. The total cost of the lot and school equipment and teacher and caretaking for the year would amount to about \$500.

The consideration of the matter was, however, deferred for the present, it being understood that another special meeting of the board will be called during the month.

Herbert Crawley, having disposed of his residence to Robert Lawrence, has begun the erection of a new house on Kensington-avenue.

J. Terry has sold his store to Mr. Downes. Mr. Perry purchased the Crookford estate and taken possession of it.

Chief Collins has summoned several citizens to appear in the police court next Monday for violation of the Medical Health Act.

Architect Gregg took the levels to-day for the erection of the new Presbyterian Church on the corner of Yonge-street and Hawthorne-avenue.

P. L. Green of Greenwood is rebuilding his creamery, and the farmers who are interested in creamery butter should co-operate with him in some way, so that better dairying facilities should result in South Ontario.
