Note and Comment

Don't go away with the idea that the fight fans are a unit on the idea that Jack Johnson will prove a cinch for Jim Jeffries, even if the alfalfa farmer improves at every performance. The big black will have a scattering support right in Toronto, about as many from present appearance as, on the other hand, believe that Tommy Burns' conqueror will find some excuse at the last moment to avoid meeting the hard hitting unbeaten heavyweight.

There will be no trial bout between Jim Jeffries and Bob Day. Tho the latter was anxious to put on the gloves Jeff declined, as he makes a poor exhibition with a stranger and he did not care to fight a short bout for the fun of it.

The amateur champion not only desired to get a better line on the boilermaker, but he said that he wanted to see if Jeffries could hit hard enough to hurt. Now Bob will have to wait and correspond with Jack Johnson after the championship bout, if it ever comes off.

Detective ran outside the money in the rich Realization Stakes yesterday, tho Charlie Boyle's colt alone was expected by some misguided beings to extend Fitzherbert. He ran his race in the Hamilton Derby and one trial at Sheepshead Bay.

Whatever may be the conditions of the running turf on this continent the prices keep up for thorobred stock across the water. Indeed, according to the cable, very remarkable prices were paid at the Newmarket blood stock sales this week, when the record for a brood mare was made, the late Sir Daniel Cooper's Flair changing hands at 15,000 guineas ($78,750), the previous highest price being that paid for La Fleche, namely, 12,000 guineas ($66,150).

Flair, described as the best looking mare in England, by St. Frusquin, out of Glare, with a Gallinule colt foal, was started at 6000 guineas and quickly reached 15,000 guineas, at which price F. Stern, a young man who has just reached his majority, purchased her. Mr. Stern subsequently gave 2800 guineas ($14,700) for the mare Concertina, with a Gallinule colt foal. There were 13 mares in the late Sir Daniel Cooper's draft. All sold well and when the lot had been disposed of it was found that they had netted the fine sum of 48,140 guineas ($252,735).

As yet the sum paid by M. Blane for Flying Fox ($196,875) is the largest ever given for a thorobred. This was in England when the stud of the deceased Duke of Westminster was disposed of. The late W. C. Whitney's agent in England bid 187,500 for Flying Fox, on that occasion. Other big prices realized for horses at various times were: Diamond Jubilee, $157,500; Cyllene, $157,500; Ormonde (America), $150,000; Jardy, $150,000; Val d'Or, $140,000; Sceptre, $125,000; Rock Sand (America), $125,000; Duke of Westminster, $110,000; Galtee More, $105,000; Ard Patrick, $105,000; St. Blaise (American), $100,000; Gouvernant, $100,000; Kendal, $90,000; Bona Vista, $80,000; Adam (America), $80,000; Meddler (America), $75,000; Watercress (America), $70,100; Hamburg (America), $70,000.

Manser allowed Providence only two hits, and still pitched a winning game against Lafitte, who shut out his former Jersey City companions with nary a single. Two errors in the eighth innings gave the Skeeters the game by 2 runs to 0. Calhoun, to whom a pass was given, was forced at second by Esmond. Gardner lined the ball to Arndt, who made a wild throw to Anderson. As Esmond started for third Anderson threw to Arndt, the ball went high over Arndt's head, and Esmond and Gardner tallied. One more emphatic case which shows that it's runs not hits that count.

The .300 batters are few and far between in the two major leagues up to this week, there being only ten of the American and eleven National regulars in the charmed circle, as follows: American, Collins, Philadelphia, .363; Lajoie, Cleveland, .345; Bobb, Detroit, .327; Hoffman, St. Louis, .315; Crawford, Detroit, .314; Stone, St. Louis, .312; Browne, Washington, .309; Lord, Boston, .308; Carrigan, Boston, .308; Dygert, Philadelphia, .300. National, Hyatt, Pittsburg, .375; Wagner, Pittsburg, .371; Jacklitsch, Philadelphia, .348; Jordan, Brooklyn, .325; Clarke, Pittsburg, .319; Mitchell, Cincinnati, .310; Thomas, Boston, .314; Myers, New York, .313; Ellis, St. Louis, .312; Zimmerman, Chicago, .301.

Some new ideas which may be copied profitably in the tennis championships were tried at Wimbledon, Eng., this year. The players were given program numbers instead of cards, and on the program was given the list and time of matches on each court. Thus when a spectator wanted to know the location of any particular match he had only to refer to his program and there were the names of the players, the number of the court, the hour of the match—all that was necessary to know.

Once More Bisons Kalsomine The Crippled Hired Help

Score Was 3 to 0—Baltimore, Rochester and Providence the Other Winners.

BUFFALO, July 13.—(Special.)—The Maple Leafs were whiter than ever after to-day's game, for they waded thru the kalsomine bucket fon the second time in two days, Kissinger holding them to four scattered hits, while the Rube's two-bagger aided him to win his own game.

Toronto was very weak with the stick, Fallon getting two of the quartet of swats, Grimshaw and Pfeffer dividing the other two singles. The visitors reached first base seven times, two of the number on bases on balls. Second base was touched twice, while the third sack might just as well have been placed on Hanlan's Point. The visitors made the nicest procession imaginable, and so quickly were they retired that the game was one of the shortest played here this season. Rudolph was good in all but two innings. In the third and fourth he was very, very bad, and five of the eight hits were gathered at this time by the Buffalos—and all their runs.

Fallon was walked by Kissinger in the former's first time up. This had every indication of being Kissinger's bad day, and that he was pitching too often, but later developments tended to show that the oftener he works the better is his wing. After Fallon had squared away, Weidy attempted to sacrifice, but lifted a foul into McAllister's mit. Houser hit into a double play and the inning was cut short. Grimshaw fouled off a dozen times in the second and finally induced to clout the air. Pfeffer hit a screamer to right and only luck on Flanagan's part held the batter at first. Kelley and Frick hit the ball up high, where it was easily caught.

The next time that Toronto reached the sacks was when Vandy waited for four wide ones. Rudolph gave Schirm a hard run for his fly, but the latter captured it. Fallon hit safely, but both Weidy and Houser were retired on fly hits. Grimshaw opened the seventh with a hit to right, following it with a clever steal of second. But, then with this good start, there was nothing doing, for Pfeffer fanned, Kelley went out at first and Frick gave Smith a chance to end the inning with a wee fly. Fallon put in his second single in the eighth, but before that both Vandy and Rudolph had been up to the plate and back to the bench, leaving Weidy to line the ball straight into Brain's paws. The ninth was over in a flash.

Kissinger started Buffalo on the way to victory in the third with his two bagger. Schirm sacrificed the Rube to third and White came with the squeeze act and this scored the big pitcher. Clancy followed all this racket with a ripping triple to the back fence ,scoring on Brain's single, the latter being caught at second by Vandy as he made a break to steal the bag. These were three corking hits. Flanagan beat out his slow roller to Frick in the fourth. Smith's fly went to Grimshaw. Then McAllister bumped the sphere for two, planting Flanagan on third. Another squeeze play was worked here, Flanagan trooping it over the home plate, while Rudolph and Houser were busy getting Woods out. Kissinger ended the inning, after which there was no further scoring. Score:

Rochester 4, Montreal 3.

ROCHESTER, N.Y., July 13.—Cy. Barger had the Royals up a tree for seven innings to-day. In the eighth John Ganzel misjudged an easy pop fly from Smith's bat and following that Jack Toft called Joyce safe on a bunt when Joyce was out by two feet. Then came two hits, a sacrifice fly and a third single that put the Montreals within one of Rochester's four runs. Holmes was rushed in and saved the day. Sammy Smith, who has been sold by Montreal to Cincinnati, for delivery at the close of the season, was hit hard by the league leaders. Score:

BUSY DAY BY JEFFRIES

Plays Baseball, Besides Performing Twice in the Ring.

Jim Jeffries put in some useful training yesterday, besides his exhibition stunts in the ring before the public. He played ball on the oval in the morning and late in the afternoon. At the night performance there was a crowd of about 3000, including many ladies. Jeffries performed a new training feat, showing the wonderful strength of his back and abdominal muscles, levering his huge body over one chair with h's feet under another, on which sat Sam Berger.

The exhibition three rounds was even livelier than the first night, and satisfied the crowd. Frank Carrol and Tommy Daly will box a preliminary to-night, after which Jeffries and Berger will wind up their show in Toronto. They also give a performance this afternoon.

Only Train Direct to Fort Erie Races leaves Toronto 11.30 a.m. daily except Sunday, via Grand Trunk Railway System, returning immediately after last race. Return fare from Toronto $2.00. Secure tickets at Grand Trunk Ticket Office.

TAVISTOCK, July 13.—A junior W.F.A. game here this evening between Tavistock and Owen Sound neither side scored. Five minutes extra time each way was given, but still no scor. Then an additional two minutes each way with same result. The game was fast and exciting, and was enjoyed by the large crowd present. It was the best game seen here this season. Tavistock and Owen Sound are still even, and the tie will be played off on neutral grounds.

Lacrosse Gossip

The management of the Capitals are still trying to get Powers and Quinn out again, and now that Billy Fagan's knee has improved enough for him to play Saturday against Tecumsehs at Rosedale, and a new man named Grant of Alexandria has been secured for the defence, things seem to look better for the Senators. They have yet to win a game this year, but will make a decided effort to do so on Saturday.

The local district of the intermediate C.L.A. series is developing into one of the best races in the history of the greatest lacrosse organization in the world. There are four teams that have a good chance of winning out, viz., St. Catharines, Young Torontos, Maitlands and Shamrocks. Next Saturday these teams are all playing. The St. Kitts team will battle with the Young Torontos at Scarboro Beach, while Maitlands and Shamrocks will fight it out in Ward 7. If the home teams win in both cases, then Young Torontos will be on top of the heap, as the standing now is as follows:

	Won.	Lost.	To Pl.
St. Catharines	5	1	4
Young Torontos	3	1	6
Maitlands	3	1	6
Shamrocks	3	2	5
St. Simons	0	3	7
Elms	0	4	6

Weston juvenile C. L. A. team whitewashed Woodbridge juvenile C. L. A. team on Saturday last by a score of 12—0, the game being played in Woodbridge. Line-up: Goal, Hart; point, Harris; cover, Coulter; defence, Coulter, Lindsay; centre, McCutchean; home, J. Craven, E. Farr, Kingdon; field captain, W. E. Pearson. Referee, F. W. Rowntree.

On Saturday, July 17, Weston junior C. L. A. team go to Brampton on the 1.20 G.T.R. train, where they play the junior C. L. A. team of that town. Weston blue and white shirts defeated this team last season in three games by a close margin in the score, and are confident of doubling the score on Saturday.

Ernie Doyle of Newmarket has been agreed on to referee the St. Catharines-Young Toronto game at Scarboro Beach Saturday.

The Tecumsehs had a couple of new men out yesterday. They made a good impression and will practise with the team again to-day.

Griffiths, the Tecumseh point player, will be back at his old position on Saturday, and Archie Adamson has almost fully recovered from his injury.

Fred Yott of Melbourne, Australia, now of Dover South P.O., Ontario, writes: About two years ago a lacrosse team representing Canada went to Australia, and during their visit I made the acquaintance of several of the players—one especially, Frank Grace, who played centre on that team. I am on a visit thru Canada (my native land), and would like to meet Mr. Grace again; in fact, any of the players, if it is possible. I was pleased to see B. Gilbert's photo appearing amongst the champions. He also was a member of the Canadian team.
