

DR. NELIGAN'S ENGLISH WORM CANDY

Is improved by the addition of a new and valuable worm-destroying
plant of late discovery.

The directions, both for grown persons and children, are upon each
box.

Read the following certificates from farmers, doctors, lawyers, mer-
chants and all classes of men, who say that there was never any like
it as a *worm destroyer*.

CERTIFICATES.

We have not to go *a thousand miles* for certificates, but they come
from gentlemen who live among and with us, and are well known.

GUELPH, February 18, 1862.

It gives me much pleasure to certify that I have used Neligan's
Worm Candy, prepared by R. Stark, Druggist and Chemist, Woodstock,
in my family with uniform success. I have also taken occasion to re-
commend it to other parents for their children, and have not known a
single case where the Candy failed to effect a cure, or left any injurious
effects upon the children taking it.

WM. S. BALL,

Minister of Knox's Church, Guelph.

PRINCETON, July 8, 1860.

R. STARK, Esq., Woodstock :

Sir—I cheerfully recommend "Neligan's English Worm Candy" to
the public. I have used it extensively in my practice, and have found
it efficacious in almost every case. It possesses none of the nauseating
qualities of "orthodox" drugs, so repugnant to children, but is pleas-
ant to the taste, and will, no doubt, eventually supersede any other
Worm medicine now in use.

DANIEL CLARK, M. D.

Mr. R. STARK, Woodstock :

Sir—I have used your Worm Candy in my practice, and have found
it an effectual and pleasant remedy. It is more readily taken than any
other Worm Candy; I feel no hesitation in recommending it to the
public.

Yours, etc.

J. W. SANDERSON M. D., M. R. C. S.,
