Huntsville, Ont.  
December 7, 1934.

Mr. J.M. Daly,  
Indian Agent,  
Parry Sound, Ont.

Dear Sir:-

This will acknowledge receipt of yours of  
December 4th re Gibson Reserve and Parry Island Reserve.

Some considerable time ago I recommended that  
the Department take over the road on the Gibson Reserve  
but, in regard to the Parry Island road, I only recommended  
that we do work on it this winter with a view to helping  
out the Indians, but did not suggest that the Department  
take it over altogether.

Yours truly,

E.J. Hosking,  
DISTRICT ENGINEER.
