Mount Allison Captain Scores Only Touchdown In Acadia Game

Crimson Starts Three Sophomores In Important Game

BOSTON, Mass., Nov. 6—The eve of the Princeton-Harvard battle tomorrow finds the dopesters are busy and rumors are rife that next year will see wholesale changes in the coaching personnel and the football system at Harvard. This follows the upsets of the Crimson at the hands of Holy Cross and Dartmouth and the poor showing made against William and Mary. These same stories were going the rounds last year and finally Coach Bob Fisher resigned. He reconsidered, however, and returned, despite the lack of exceptionally promising players.

Now the gossips here have it that Fisher is to be replaced by Reggie Brown, who will be assisted by Charley Crowley and Percy Wendell.

Brown is the strategist and scout at Brown. After the Harvard-Dartmouth game he declared that the offence of the Hanoverians was unsound and proved it the following Saturday. He laid out a defence for the Brown team that put the kibosh on the aerial warfare of the big Green and materially retarded the running attack of the Dartmouth team. He is considered one of the keenest students of football.

Wendell, after unusual success at Williams, went to Lehigh with the understanding that if his alma mater ever needed him he was to be released.

Crowley, now coach for Columbia, has done good work for the Blue and White. Last Saturday his men gave Cornell a stiff run at the Polo Grounds and put up one of the best battles since football has been resumed at Columbia. It was thought the acquisition of Major Charles Daly, old Harvard and Army star, would put a new kick in the Harvard play this year. The team has fought hard, if, at times, it has seemed that its fighting was ineffectual.

Harvard play this year. The team has fought hard, if, at times, it has seemed that its fighting was ineffectual.

When Yale lost four straight games to Harvard a howl went up for the removal of Tad Janes. When victory came, another song was sung. There are those here who think the case of the Crimson coach is similar to that of the Yale and that there is blue sky ahead.

of the Yale and that there is blue sky ahead.

PRINCETON FAVORED.

Harvard is expected to put up a great battle tomorrow, but Princeton is favored. The Harvard line-up for the game follows: Left end, Maddy Sayles; left tackle, Carl Lindner; left guard, Bordy Tripp; centre, Carl Macomber; right guard, Bydie Kilgour; right tackle, Charley Pratt; right end, Eddie Bradford; quarterback, Captain Cheek; left halfback, Crosby; right halfback, Miller or Maher; fullback, Clem Coady.

The starting of three sophomores, Tripp, Pratt and Crosby, probably establishes a precedent in Harvard griditon history. Tripp won his position from Charley Bradford in last Saturday's game by his deadly tackling. He is a former teammate of Crosby at Exeter. Pratt has always been good and Crosby has proved the backfield sensation of the squad.

BIG HOCKEY TEAMS FOR TO BEGIN PRACTISE Plant ree

day.

The outlook for the Maroons this season, is much brighter than a year ago when the club was granted a franchise in the National Hockey League. The team will comprise a number of young players who will be making their initial appearance in professional ranks, but the majority of them can boast experience in clubs affiliated with the Ontario Amateur Association.

Among the players who exercised yesterday were Hoby Kitchen, formerly of the Niagara club; Sammy Rothschild, Dutch Cain, Dinny Dinsmore and Dunc Munro. Munro has been reducing the greater part of the autumn Magnusson

child, Dutch Cain; Dinny Dinsmore and Dunc Munro. Munro has been reducing the greater part of the autumn and is 15 pounds lighter than when he started last winter.

Nelson Stewart arrived last night from Toronto, while Lowry came in from Ottawa.

Manager Gerard has already decided on changing his team about. He will have for the defence Benedict in goal, Noble and Dúnc Munro as the regular defence, with others to relieve them. On the line he will have Dinsmore, Kitchen, Stewart, Seibert and Broadbent, as well as some of the players to be retained from last season's squad. Kitchen is a left wing or defence player. Dinsmore can be played on either wing, while Seibert is a right wing or defence player. Then there is Horn, who played last winter with Grimsby, and was the leading scorer on the team. Horn can play at either wing position. He is a good back checker and figured prominently in all of the games played by Grimsby.

Along The Sport Trail

popular and there is no reason to believe that the one scheduled for the Arena on the night of November 27 should be any exception for in addition to local talent, there will be some outsiders as well. This meet will conclude a season that has witnessed several good meets, including a splendid girls' meet, held a few weeks ago. The Maritime indoor affair has two events for girls and it is expected this section will be well-filled up with entries in view of the decided fillip given to girl athletics here this year. The last meet was held on a dirt track when several records were broken. This year, the events will be run off on a board track, the flooring having been put in last year. The boys have the records down pretty fine now, particularly in the track work but there is plenty of room to topple a few in the field events. It will be recalled that the Maritime indoor meet here two years ago set the field records as no track had been kept of former meets. We look to see "Beef" Malcolm set up a new mark in the shot put. This boy has leaped to the very forefront of Canadian athletics in a very short space of time, busting two Maritime records for the shot put in two years. He will use the 12 pound shot put at the indoor meet here and they want to make sure and turn him the long end of the rink because if he ever let it go sideways, he'd drive it through the side walls and maybe take the whole building down on top of him.

MONCTON CITY'S rugby team will try to railroad the Trojans to defeat on the Allison grounds tomorrow afternoon but the grade is not going to be easy, say the locals.

PROFESSIONAL FOOTBALL in New York between the New York Giants and the Buffalo Bisons, led by Walter Koppisch, the greatest football star New York city ever produced, drew a crowd of 20,000 people at the Polo Grounds this week but it seems that after all the ballyhoo, Walter fell down on the job because of a sprained ankle. Although the crowd shouted for him in the first half, he failed to appear and when he did start in the second half, he was easily stopped. No mention about the sprained ankle was made until after the game for had it been announced before, the crowd would have been much slimmer. That's just the difference between college and professional football. Whether the collegians announced their star player was out of it or not, it would not have made any difference—the crowd would have been there to see the college teams battle it out, It is said the Giants' management, which by the way is the same that controls the Giants' baseball team, offered \$50 to every player making a touchdown, whereat Hinkey Haines, former Penn State star, made two. Not a bad day's work. Despite little drawbacks, pro. foot-

SPEAKING about "Red" Grange, Illinois University will take his muddy, torn jersey with its orange number "77" and have it framed to inspire future gridders. The number will never again be given out. 77 is the number Grange has had since 1922.

THE HOCKEY situation hereabouts is in a considerable tangle just at present through several factors. Sussex is having trouble with the rink management and says it will not enter a team. Fredericton wants to get in the northern section and has withdrawn from the western section. St. Stephen's entry depends largely on the re-instatement of several boys. Saint John is standing pat. Moncton has formed a team, called the Atlantics, and is rather enthusiastic over the season's prospects. They are not very particular about what section they enter. These different elements will have their say at a meeting to be held in Moncton when probably some realignment of the groups will be made. It has been suggested that the re-grouping be as follows: Fredericton, St. Stephen, Marysville in the western section; Moncton, Sussex and Saint John in the southern section; Campbellton, Bathurst and Chatham in the northern section. This sounds reasonable but the chief opposition will come from Fredericton. As present constituted the groups call for too many long jumps.

Montreal Maroons Will Start

Limbering up on Ice on Monday

MONTREAL, Nov. 5—With the majority of the players under contract to the Montreal professional hockey club now in Montreal, Manager Eddie Gerard has arranged for the commencement of the practice period. Practice will start next week, as ice will be made at the Forum for Saturday.

MONTREAL, Nov. 5—With the nounced today that the Canadiens of the National Hockey League would go away for a fortnight's practice, the place and time to be definitely decided tomorrow by Manager Leo Dundurand. Three new players will be on the team, one of whom is Luduc, formerly a Banque Nationale man in the bankers' league. The two other players' names have not been announced. The first practice of the season will be held on Thanksgiving Day by the Montreal Maroons.

A. E. Coleman, Dalhousie, Awarded Bissett Medal

HALIFAX, N. S., Nov. 6.-Arthur Edmund Coleman, B. A., of Dalhousie, N. B., has been awarded the Bissett Medal for the past college year. This medal is presented annually to the best

medal is presented annually to the best all round athlete in King's University. However, more than athletic ability is necessary to win this coveted prize. To win this medal it is also essential that a person be well up in his studies.

Mr. Coleman, this year's winner has played a prominent part in the activities of 'King's during the past three years. "Art" started his college career at the University of New Brunswick and entered King's at Windsor in his second year. Since coming to King's he has played on the hockey and football teams every year. Last season he filled the position of captain of the hockey team and this fall is football captain. He also has played hockey for Dalhousie in the Halifax City League.

Modern League.

Last night on the Y. M. C. A. alleys in the Modern League the G. E. Barbour Co. team won all four points from Corona Co. Ltd. The scores follow:

WON ROAD RACE In 1923, Coleman competed in the King's annual six mile road race and succeeded in winning a medal. Last year he served on the executive of the King's College Amateur Athletic Association and is now the vice-president of the organization.

This spring Coleman obtained the degree of Bachelor of Arts and is now pursuing a course in Divinity at King's. He is one of the most popular students at the university and his selection as the winner of the Bissett medal by the

the winner of the Bissett medal by t committee was a wise choice.

MONCTON RUGGER

A CLOSELY contested rugby game is expected on the Allison grounds tomorrow afternoon, commencing at 3 o'clock, when the compact Moncton City squad meets the Trojans in a return game, the locals having won the opener at Moncton, 3 to 0. With this game off the schedule, Trojans have only one more game on the 1925 card, that being the outstanding clash of the season on Monday against Dalhousic University.

FREDERICTON, Nov. 5—A light workout Friday afternoon will complete the University of New Brunswick's rugby training for the schedule, for the schedule, and the season on Monday against Dalhousic University of New Brunswick's rugby training for the schedule, for the schedule, and the schedule of the schedule of

From Fame To Trouble

The outstanding hero of the world series was Max Carey, veteran star of the Pittsburg club. Throughout the series, the final game in particular, Carey played brilliantly.

While Walter Johnson found Carey a tough customer in the decideding game, the Pirate star making four hits, Max's glory was short lived. Shortly after the series closed, Carey shifted from the glory of the ball field to the woes of a Pittsburg hospital. Here we have Carey pic-

tured doing his stuff in both places.

An attack of pleurisy, brought on by a collision with Stanley Harris in the fifth game of the series, caused the star athlete to take to his bed. He is now back home and well.

Many Years

SACKVILLE, N. B., Nov. 6.—The western inter-collegiate rugby section wound up here yesterday with a hard-fought victory over Acadia by Mount Allison University, 3 to 0. The lone try was made by Captain Ray Smith. No title was at stake but the issue was fought out bitterly, it being one of the most relentless struggles in the history of rugby here.

THE ONLY SCORE.

From a serim of Acadia's five yard ine the ball came out to Shorty Stuart, who was brought down. From a second scrimmage the Mount Allison three-quarter line again got the ball and it was passed along the line to Ray Smith, who dodged Noble for the only try of the game. The goal was not kicked. From the ensuing kick off Acadia had a decided territory advantage which they were able to retain only a few minutes. In the last few minutes the Garnet and Gold squad were unbeatable, and when the while she blew a second try seemed imminent.
