GOOD THINGS COMING
TO THEATRES OF ST. JOHN

GREAT MAGICAL
AND ILLUSION ACT

Will Be at Opera House
Again Tonight; Also Four
Other Classy Vaudeville
Attractions.

There is still another opportunity for patrons of the Opera House to enjoy Adelaide Herman's great magical and illusion offering. There will be two performances this evening, which will terminate her local engagement. Her act is fascinating and one of the best ever presented on a local stage. Her original creations, "Joun of Arc" and "Noah's Ark" are a revelation.

In addition to this big attraction there are four other acts of merit, namely:—Daly and Thomas in a sensational and amusing acrobatic offering; Bob Tenney, in a comic monologue and musical skit, which is teeming with mirth; Kiley and Drake, in comedy songs and dancing; Billy Duval and Bee Little, in an original comedy skit. "Their First Quarrel." There are also an episode of the serial drama "Fighting Fate," featuring William Duncan, and a reel of interesting current events.

FAMOUS ACTOR
COMING HERE

George F. Hall Will Be At
Opera House Tomorrow—
Three Artists Will Also
Present a Clever Minstrelsy.

There are two big attractions booked for the week-end programme, one of which is Geo. F. Hall, who is coming here after completing a vaudeville tour of the world, covering all of the large cities in Great Britain, Ireland, South Africa, Australia, New Zealand, Tasmania, and India. He is well known in St. John, having appeared here many times in the last twenty years with Hoyt's "A Bunch of Keys," "An American Girl," "A Ragged Hero," "The Hustlers," "Hello Bill" and other big shows.

The other big offering will be that of Howard and Fields assisted by Oscar Lee. They present a most realistic touch of minstrelsy in their new vehicle "The Ragging Dining Car." They are three clever artists who serve laughs with a hors d'oeuvre; a little music with the oysters, merrily laughs with the soup, a dance with the fish. Their singing, dancing and talking specialties with their unique novelty setting have kept audiences in raptures as their train load of joy jogs along.

ZANE GREY'S BEST
STORY TOMORROW.

"You have put the spirit, the action and the truth of 'Desert Gold' upon the screen. My ideas, my wishes—even my hopes—have been fulfilled."

The foregoing is the gist of a congratulatory letter written by that famous novelist, Zane Grey, to Benjamin R. Hampton, who produced for the screen the author's most widely-read story, "Desert Gold," which W. W. Hodgkinson Corporation announces for presentation at the Imperial Theatre, beginning tomorrow.

Mr. Hampton's picturization of "Desert Gold" is the first of Zane Grey's productions to be produced in accordance with the author's own views of what the characters he created in the story should be made to do for the screen—the first to be produced under his personal supervision and the first to receive his personal approval when completed. "There is so far as I know not a life in the picture," wrote Mr. Grey. "By that I mean that the people, the scenes and the action are absolutely true to my book as I wrote it."

BLOOD TEST TO DECIDE
PATERNITY OF CHILD

Springfield, April 14.—The first blood test to determine the paternity of a child to be made in Massachusetts, will be made here soon. The child in question is that of Doris Foley, James Crover is alleged to be the father, while he declares that the father is George Webb, a soldier at Fort Hamilton, New York. The latter denies it. Crover is a defendant in the district court.

The child, born February 1, was exhibited in court to determine which of the men involved it resembled most. The child was so young that the result was disappointing. However, by agreement of the parties concerned, it was agreed to have a blood test. The blood of each of the men will be compared with that of the child.

Mutual Regret.

"I was so disappointed that I was out the other day when you called."

"So was I. I felt sure I'd find you, because as I turned the corner I saw you go in."

BASE BALL UP RIVER

The Devon ball team are looking about for new grounds and it is said the town is considering acquiring a property for a public playground which would serve as a new ball field for Devon where the games of the coming season will be played.

The organization of a baseball league is the topic of interest in Hartland, and a meeting of representatives of the Hartland, Perth, Grand Falls, Centerville, Florenceville and Edmundston ball clubs will be held on Friday or Saturday of this week. Whether or not the A. A. U. of C. affiliation will be adopted is the question being broached at the present time, but it is altogether probable that the league will play under these rules, so as not to be ineligible to meet other amateur teams.
