Hints to Voters

Remember That City Voters Deposit Ballots in Two Different Places—Things to Remember When You Go to the Polls on Thursday

This is a most important thing to remember. You have a vote in the city and a vote in the county as well. In some cases the city booth and the county booth will be in separate buildings. If so make sure you cast your ballot in both.

In other cases the city booth and the county booth will be adjoining one another in the same building. For instance, both city and county candidates will be balloted upon in the Court House by Queen's ward citizens.

Many aged people and others not well informed upon the matter frequently omit casting their ballot in the second booth, thinking they have done all that is required of them by balloting in one. This is wrong. All city residents entitled to vote have votes in both city and county.

Don't let "fresh" ward workers or bluffers mislead you, stand your ground for the free exercise of your British privileges. If you are a government supporter you will find a sample of the official ballots—Pugsley and Lowell—in this paper. Inspect it carefully and you can make no mistake.

And don't forget that every cross marked for the Liberal candidates on Thursday is a step forward for your home city, yourself, your children and your children's children.

THIS YOUR FIGHT—SO THEREFORE FIGHT.

HE COMES OUT IN FAVOR OF RECIPROCITY

Clement Cormier of L'Evangeline, a Conservative, Takes Stand on Side Which Means Advancement and Prosperity

Moncton, N. B., Sept. 18.—(Special)—Clement Cormier, business manager of L'Evangeline, who has been Conservative, is unable to accept his party's attitude towards reciprocity, and has come out strongly in favor of the agreement. Since the campaign began he has been inclined to favor the principle of free trade in natural products, and the appeals made by local opponents of reciprocity have turned him from their cause.

NEW PHYSICAL INSTRUCTOR ILL; GIVES UP POST

Local Y. M. C. A. Secures Lessing Bandwag of Springfield Instead and He Will Be Here Next Week

Owing to ill-health, George C. Wilton, of Nashua, N. H., who had been appointed to the position of physical instructor with the Y. M. C. A. in this city, wrote the local office yesterday to the effect that he could not accept. As active physical work must soon be begun by the association, the season being already advanced, the local officials were naturally worried slightly for a time, but a wire was immediately sent to Lessing Bandwag of Springfield, Mass., whom the "Y." had previously been trying to secure, but who at the time was not open for an engagement. They have been fortunate enough to secure his services, and he will arrive in the city next week to take charge of the work.

Mr. Bandwag has an excellent record as an instructor, and his association is to be congratulated upon having engaged him. He is a graduate of the Y. M. C. A. training school in Springfield, Mass., and has directed the Y. M. C. A. physical work in Keene, N. H., and Norwich, Conn., besides having been one of the leaders in the gymnasium of the large Cleveland Central Association.

He is an expert playground supervisor, having had experience in Cleveland, Norwich and Winnipeg, and in addition to this has devoted considerable time to special work for boys, having instituted novel courses in athletics in connection with various Sunday schools.

BRINGS MOST CHEERY NEWS TO CITY FROM UP RIVER DISTRICT

R. B. Humphrey Emphasizes Dissatisfaction of Maine Farmers Because Reciprocity is Going to do so Much for New Brunswick

Robt. B. Humphrey returned on Saturday after a trip to Victoria and Madawaska counties and through the Aroostook country in the business interests of the International Railway. Everywhere on the Canadian side, with but few exceptions, Mr. Humphrey found the sentiment of the farmers and business people overwhelmingly strong for reciprocity.

The approaching election, he says, commands absorbing attention. The contest in Victoria-Madawaska is like the provincial handle on a jug all on one side. The reelection of Mr. Michaud is regarded as a foregone conclusion, and by an overwhelming majority. The same may be said regarding Mr. Carvell in Carleton County, and in York Dr. Atherton is gaining strength every day.

Throughout the Aroostook County in Maine Mr. Humphrey found much dissatisfaction with the plan of reciprocity. The Maine farmers are sore and bitterly jealous over the matter, complaining of their interests being sacrificed to the concessions made to Canadian producers. They are particularly sore on the subject of potatoes.

Many of the Aroostook farmers are of New Brunswick birth or descent. As an illustration of the natural selfishness of man, these Aroostook farmers are strenuous opponents of the plan of reciprocity, and bitterly denounce President Taft and complain of their rights and interests being sacrificed in the markets of the country being thrown open to the farmers and producers of a foreign land.

TODAY'S POLICE COURT. In the police court this morning Michael Walsh pleaded guilty to drunkenness, but not guilty to the charge of assaulting Jas. Doucet in Carleton last night. He was remanded. Thomas Nash was fined \$5 or two months in jail on the charge of drunkenness, while Joseph Duffy was fined \$4 on a like charge and \$8 for profanity.

The case against Arthur Craft, charged with assaulting Isaac Craig and also with wilfully breaking windows in the latter's house in Market Place, West End, was resumed this morning. George Clark, Leonard Harrel and Frank Campbell gave evidence for the defence, while the plaintiff called Robert Callaghan, Charles Callan, Charles Cobham and W. Brittain. None of the witnesses knew very much about the matter. Mr. Mullin asked to have the prisoner discharged on the ground that the case had not been established against him. His Honor said that he would consider the case carefully and would give judgment either this afternoon or tomorrow morning.

LIBERAL ELECTORS. The Liberal electors of the various wards will meet in their respective ward rooms for regular work each night until Sept. 21st.
