

"THANK MY LUCKY STARS I TRIED IT"

That is What Mrs. Eatman Says After Tanlac Brought Back Her Health.

I have received so much benefit by using Tanlac, that I feel it my duty to make a statement about my experience to the benefit of others," said Mrs. E. E. Eatman of 80 Sheriff street, St. John, N. B., at the Ross Drug Store, today.

"Ever since I had the 'flu,' about two years ago, I have been in such a down condition that I hardly knew 'twas keep going. I had no appetite, just felt so dead tired all the time my housework was too much for me and I had to stop every little while to have a rest. My condition got worse and worse until I was eating hardly at all, and my stomach became so upset that what little I did manage to eat would sour and form gas, and I was up to my eyes in it. I had to wear a corset, and I was so bloated that I could not get into my clothes. I would have severe indigestion or gas. I could get very little rest at night because I would wake up every hour or so with a pain all through the day. I was so and so, and I was so tired that I could not go to bed. I had heard of people getting better by using Tanlac, but it was until about three months ago that I decided to try it myself. I thank my lucky stars I did, for the way I have recovered is just wonderful. It gave me my appetite and I found that I could eat things that I hadn't dared to for years, and I never have a bit of indigestion or gas. I have gained ten pounds in weight and have so much more strength and energy that I can do my work easier than before, and I never get all tired out. I used to sleep right through the night without once waking up, and in the morning as fresh as a daisy. I really can't say enough good of Tanlac and heartily recommend everybody who suffers as I did. Tanlac is sold in St. John by the Ross Company and P. W. Munro; by V. McKay, Beaver Harbor; Willard, Ellsworth; Evans, C. V. Pearson, Highgate; and by the leading druggists in town.—(Adv.)

"MONTE'S WIFE" WAS WELL PRESENTED

"Monte's Wife" was the title of a lively little three-act comedy presented last evening by the young people of St. Paul's church under the auspices of the Rockwood Comfort Club. It was staged under the efficient direction of J. L. Robertson, and its success is due to quite an extent, to his efforts. The cast was well balanced and all played with confidence and ease. Hilton Crowley as Otis Hammerhead, from Yellow Bud, Ohio played a difficult role with the assurance of an old stager, and received from the other members of the cast, whole-hearted support. Marvin White as Montgomery Kay, Grandpa's grandson, also played to good advantage. Miss Orpha Fisher as Lucy Hunter, and Miss Gretchen Myers as Marie Kibben both contributed in a large measure to the amusing situations which frequently arose. Miss Gladys Gibbon gave a reading between the first and second acts, and between the second and third acts Miss Geraldine Melick and Elmer Belding sang a very pleasing duet "If You Could Care."

Those taking part in the play were the Misses Gretchen Myers, Gladys Jones, Marian Terry, Winifred Morrow, Orpha Fisher, and Messrs. Gordon Smith, Arnold Young, Marvin White and Hilton Crowley. In the chorus were the Misses Greta Trentowsky, Elsie Reop, Blanche McColligan, Sallie McDonald, Ruth Milne and Alice Young. Miss Bessie Irvine was the accompanist.

Stomach And Liver Trouble

Once the liver fails to filter the poisonous bile from the blood, there is a clogging up and poisoning of the whole system which causes many troubles to arise. Therefore upon the liver, more than any other organ of the body, depends the general health.

Carelessness and neglect, and oftentimes willful disregard of nature's laws will put the system out of sorts. The bowels become clogged, the liver inactive and the stomach upset. To bring the system back to its normal state, you should take Milburn's Laxative Liver Pills. They give up the liver, get the bowels back to their proper condition and tone up the stomach.

Mrs. G. L. Cackett, Enchant, Alta., writes: "I have used Milburn's Laxative Liver Pills and have found them good for both stomach and liver troubles. I have told others about your valuable medicine and they have used them with good results."

"They are also good for headache," Milburn's Laxative Liver Pills are 25c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

MOTHERHOOD

Warton, Ont.—"I feel it my duty to let others know the benefit I have derived from the use of Dr. Pierce's medicines, and I hope this may be the means of inducing some sufferer to try these remedies for I know they will do all that is claimed for them. I took five or six bottles of Dr. Pierce's Favorite Prescription during expectancy and it did wonders for me. I had practically no suffering and have a lovely healthy baby girl. I have such confidence in the 'Favorite Prescription' I am continuing its use and it is building me up and supplying plenty of nourishment for my babe. I also took Dr. Pierce's Anuric Tablets for the relief of varicose veins and they certainly worked a miracle. I only took two bottles."—MRS. DAVID H. COLLINS, Warton, Ontario.

"Favorite Prescription" should have the full confidence of every woman in Canada because it contains no alcohol and no narcotic. Send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package tablets, or to branch Laboratory in Bridgeburg, Ontario.

Dr. Pierce long since found the herbs and roots provided by Nature to overcome constipation, and he had these vegetables collected and made up of Mayapple, leaves of Aloe, root of Jalap, little white sugar-coated pills, that he called Dr. Pierce's Pleasant Pellets, and placed them with the druggists everywhere.

THIN PEOPLE NEED BITRO-PHOSPHATE

Increases Weight, Strength and Nerve Force in Two Weeks Time In Many Instances

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying phosphoric food elements, bitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear, dull eyes ought to brighten, and pale cheeks glow with the bloom of perfect health. Miss Georgia Hamilton, who was once thin and frail, reporting her own experience, writes: "Bitro-Phosphate has brought about a magical transformation with me. I gained 15 pounds and never before felt so well."
