YOUNG PEOPLE'S SOCIETIES—W. B. Cumming, Convener, and the Conveners of Presbyteries' Young People's Societies.

On motion of Dr. Campbell, seconded by Mr. E. G. Perry, it was agreed that the report be received and adopted.

The report on Foreign Missions, which refers to the work done among our Indian and Chinese population, was presented by the Convener, Dr. Campbell, who moved that the report be received and its recommendations considered *seriatim*.

The motion was seconded by Mr. E. G. Taylor and agreed to.

The recommendations are :

1. As Alberni, Dodger's Cove, Eucluleet and Ahousat are now fairly well supplied by our Church, that the General Assembly's Foreign Mission Committee be recommended to consider the advisability of appointing Mr. Swartout to a field further up the coast of Vancouver Island, as several tribes north of Ahousat are not supplied by any church, and are without the means of grace.

2. That, as a large number of Chinese are in the Kootenay District, a missionary of their own nationality be engaged to work among them there.

On motion of Dr. Campbell, seconded by Mr. J. C. Stewart, it was agreed that the report and its recommendations be adopted and forwarded to the General Assembly.

The Moderator called upon Prof. Bryce, who addressed the Synod on the work and interests of Manitoba College and the Century Fund.

The following resolution, submitted by the Clerk and seconded by Dr. Campbell, was unanimously adopted :

Having heard Prof. Bryce on the topics presented by him, this Synod desires to express its satisfaction in having with us Prof. Bryce, rejoices in the continued prosperity of Manitoba College, and recommends the claims of the College to all our congregations.

The Synod is pleased to hear of the success of the Century Fund, and recommends to congregations requiring assistance in forwarding the work among them to secure the services of Prof. Bryce, and wishes him the largest measure of success in his efforts to advance the work of the College and the Fund.

The motion was seconded by Mr. E. G. Perry and agreed to.
