New Rotary Power Job Press.

"Alden New rotary power Job Press," and and the power of the sovereign he served. having tested its merits, prenounce it a No. 1 machine, capable of throwing off upwards of a thousand sheets an hour. With an addition o faucy type, we are prepared to execute with neatness and despatch, orders for blanks, bill heads, envelopes, cards and other printing, and solicit a share of public patronage.

VISITORS TO ST. ANDREWS and travellers gen erally, will be pleased to know that Mr. Ances Kennedy has opened the building formerly called the "International," on Water Street, opposite the Manchester House. The hotel has been newly painted and papered, and a large ell erected, which affords increased acmarge en creeted, which altorus increased ac-commodation. As usual, this house is supplied with the test from Provincial and United States markets. "The popular character of Kenneny's Horet will-be maintained; and the genial disposition of its proprietor, will render his house as deserving of patronage as heretofore, as he spares neither pains nor expense to accommodate his guests.

The St. Andrews Standard

SAINT ANDREWS, APRIL 28, 1880.

THE HON. E. BLAKE'S GREAT SPEECH ON THE PACIFIC BAILWAY.

We have read with much interest, the he very able, scholarly and unanswerald peech of Mr. Blake in the Dominion Par ment; on the 15th inst., on the Pacific Railway. It abounds with facts and argu ments, which will have an effect on th people, but was not expected to alter th ers. There is no doubt that the Gryernment felt the force of his remarks, but ar so wedded to office and emolument, tha hey care not how deeply and ruinously they run the country in debt; they must feel they dare not appeal to the people, as the Order in Council founding the bishop | next" they would be consigned to the cold shades of opposition. The Montreal Star, which supports the Ministry, while alluding to
