NO MILITIA FOR  
TERCENTENARYBECAUSE OPPOSITION  
WON'T GRANT SUPPLY

Canada's Soldiers Suffer by  
Childish Antics of Tories  
at Ottawa.

(Special to the Times).  
Ottawa, May 29.—The militia camps  
of Canada, east of Winnipeg, are to be  
cancelled, and there will be no gunnery  
training for rural corps. It is probable  
there will be no militia corps sent to  
Quebec for the celebration in July.  
This is due to the refusal of the  
position to vote supply for this or any  
other purpose. Parliamentary expendi-  
ture is now urgently required.  
Unless the money is voted this week,  
and there is no hope of that, the  
amount of funds now available to the  
militia department will be used in  
holding camps for the four western  
provinces as usual.

## PASSED BOGUS CHEQUE.

Calgary, May 29.—Policeman George  
Hardy did some good detective work  
yesterday. A. Savill, a merchant of  
Eight avenue east, complained to the  
police station that on Wednesday a  
man came into his store and purchased  
goods to the extent of \$7.50, in payment  
of which he gave a cheque for \$15 and  
received \$7.50 change. The cheque was  
out to the Northern Bank, and was made  
out to R. Smith, and bore the signa-  
ture of John Scott. It was endorsed by  
Smith. On the description Mr. Hardy  
started out and early in the afternoon  
found a man in one of the hotel rooms  
answering the description. He has been  
identified as the man.

were subdued.

Acreage in B. C.

Edmonton, May 28.—Wm. Munns,  
general manager of the Edmonton  
Standard Coal Company, Limited, who  
is in the city, announces that his com-  
pany intends sinking a shaft on its  
property, close to the G. T. P. right of  
way. This new mine will be equipped  
with up-to-date machinery and will  
have an output of from 300 to 500 tons  
a day.

Mr. Munns also states that the Im-  
perial government is contemplating  
purchasing the coal fields owned by the  
Cassiar Coal Company, of which he is  
director. These fields compose about  
45 square miles, situated 80 miles up  
the Skeena river. The company has  
also been approached by agents of the  
American government along the same  
lines.

## ORANGE LODGE IN SESSION.

Organization Shows Big Increase in  
Membership Since Last Year.

Midland, Ont., May 28.—The Grand  
Orange Lodge of British America  
opened its annual session here yester-  
day afternoon.

Grand Master Sproule, in his annual  
address, endorsed the recent amend-  
ments to the constitution. Whatever  
criticisms their adoption caused he  
felt would have been obvious, and the  
Grand Lodge at Vancouver last year  
issued a new ritual and constitution  
embodying them. A new and up-to-  
date constitution was one of the needs  
of the time. Political Romanism was  
a disturbing factor in Canada, he said.  
He also urged the need for a more  
uniform regalia.

The grand master suggested the do-  
nation of a sum to assist the Imperial  
Protestant federation, which consists  
of the Protestant churches and the  
Orange Association in Great Britain,  
in enlightening the people to the true  
state of things in Ireland under which  
Protestants must live.

Extensions and increases everywhere  
in the jurisdiction were reported by  
Grand Secretary Lee. During the year  
seven new primary lodges were or-  
ganized in Newfoundland, one in Nova  
Scotia, four in Ontario East, twenty-  
three in Ontario West, four in Mani-  
toba, fourteen in Saskatchewan and  
two in Alberta. Six county lodges  
were created. Lost Mountain, in Sas-  
katchewan; Kenora, in Ontario West;  
Moose Mountain, Saskatchewan and  
Soo Line, in Saskatchewan; Kootenay,  
in British Columbia; sixteen royal seat  
dispensations were issued, and seven  
ladies' Orange lodges and eight Orange  
Young Briton lodges organized.

The total membership is 71,282, of  
which 3,215 are in Manitoba, 1,285  
in Saskatchewan, 525 in Alberta and 1,897  
in British Columbia. The total in-  
come is 5,008, of which Manitoba con-  
tributed 29, Saskatchewan 151, Al-  
berta 75 and British Columbia 188.

instructed to accept all classes of mail  
matter at the ordinary rates for all  
Yukon points from June 1st.

## OLYMPIC RIFLE MEET.

No United States Team Will Compete  
at Games Next July.

Washington, D. C., May 28.—James  
Drain, president of the National Rifle  
Association of America, announces that  
the team of riflemen to represent the  
United States in the Olympic games to  
be held in England on July 9th, 10th  
and 11th will not be sent, owing to the  
refusal of the British Olympic coun-  
cil to extend the time for submitting  
individual names of men of the team  
from June 1st to 15th.

## NARROWLY ESCAPE DROWNING.

Nelson, May 29.—George Wells, and  
one of the large ranchers on the Koot-

drowning on Sunday. While landing a  
salmon the boat overturned, throwing  
the occupants in the water, where they  
remained for forty-five minutes  
before a rescuing party arrived.

BIG CLEAN-UP IN  
CARIBOO DISTRICT

Guggenheims Drop Out of En-  
terprise, but Van Horne  
Goes Ahead.

Vancouver, May 29.—The Guggen-  
heims have finally abandoned work in  
Cariboo, and have given up the propo-  
sition to build a canal. The Canadian  
Solidated Hydraulic Company. This de-  
cision was reached after a hundred  
thousand dollars had been spent carry-  
ing out the initial work for digging a  
series of ditches for securing a water  
supply. The Guggenheims also paid  
a similar amount to the contractors  
to be released from the contract to  
install a water system which in all was  
to cost half a million dollars.

The principal shareholders in the  
original enterprise are Sir William  
Van Horne and R. B. Angus, of Mon-  
treal, to whom the property has now  
reverted. Superintendent Hobson is  
again in charge, though his advice was  
not accepted by the Guggenheims, who  
acted on the advice of their million-  
dollar-a-year expert, John Hays Ham-  
mond.

Sir William Van Horne recently  
wired instructions to Mr. Hobson to  
go ahead with the season's work, and  
preparations are being made for a big  
clean-up.

## U. S. ATLANTIC FLEET PROMOTIONS.

Commanders of Second and Fourth

Washington, May 29.—President Roose-  
velt yesterday signed and the navy de-  
partment forwarded to Captain Richard  
Wainwright, commanding the second di-  
vision, and Captain Scroeder, commanding  
the fourth division, respectively, of the  
Atlantic fleet, orders appointing them  
admirals. This will give them rank in  
consequence with their present duty, and  
permit them to use the uniform and fly  
the flag of a rear-admiral.

the ceremony were the Dowager Empress,  
the Queen of Greece, several of the Rus-

## C. P. R. DONATES SITE.

Calgary, May 29.—A communication  
was read from the C. P. R. offering to

suitable hall be erected. After consid-  
erable discussion it was decided to  
recommend that the offer be accept-

erected until next year.

Salem, Ore., May 28.—J. Thorburn

who was recently convicted of the  
wrongful conversion of state school  
funds, was to-day sentenced to five  
years imprisonment and to pay a fine  
of \$576,094.

Ross was sentenced to serve the fine  
of \$576,094 at the rate of \$2 a day, in  
Multnomah county jail, to begin after  
his five years in the penitentiary, pro-  
vided the amount is not paid. He re-  
ceived this sentence with apparent in-  
difference. Pending an appeal, Ross is  
at liberty under \$5,000 bonds.

## CHURCH UNION CRY.

London, Ont., May 29.—Speaking of  
the question of church union at the  
synod of Huron, Bishop Williams said  
the subject was not so prominent as it  
had been, but it was by no means dead.  
As far as the Church of England was  
concerned, the present year, he said,  
could witness the most important dis-  
cussions on the subject, and perhaps  
see more progress than has been made  
within the last twenty years.

HOUSES PICKED  
UP BY WINDCONSIDERABLE DAMAGE  
IN GALE-SWEPT KANSAS

Hurricane of Terrible Velocity  
Cripples Wires in  
Chicago.

Topeka, Kan., May 29.—A terrific  
wind storm of almost the proportions  
of a tornado, which swept over the  
southern part of Newell county on  
Wednesday, killed one man and in-  
jured twenty-two persons, seven of  
them probably fatally.

The storm travelled from the south-  
west, and was 150 yards wide. It took  
everything in its path, and scattered a  
number of houses, barns and small  
buildings over the prairie. The prop-  
erty damage will amount to thou-  
sands of dollars, and the damage to  
the growing crops is large.

The Bowen house was picked up and  
carried across the street, and dashed  
into the air. The house was blown  
down and the occupants were killed.  
The storm was a free enough hand to  
the interests of the province the lots or  
blocks or any portion of the lots or  
blocks that will fall to the crown under  
the provisions of said agreement.

This action surely gives the local  
government a free enough hand to do  
almost anything it sees fit with re-  
spect to these lands. At the time the  
bill was before the House the vicious  
principle involved in this was pointed  
out by the leader of the opposition and  
other members on his side of the  
House. The attempt was made to have  
it altered so that the Land Act might  
be given effect with respect to these  
lots, the same as in other instances.

The government was inexorable,  
however. The premier insisted upon  
the section going through. No good  
reason could be pointed out why the  
government lots in Prince Rupert  
should not be sold by auction after due  
advertising, and thus bring the top-  
most price. The only reason advanced  
by members of the government was  
that they "wanted a free hand."

The province has had some experi-  
ence in giving the McBride govern-  
ment a free hand. The result has in-  
volved a great deal of trouble and  
expense, and the province reaped no  
benefit.

Now comes the report that C. D.  
Rand, who figured prominently about  
the corridors of the House last session,  
is to be given the handling of the gov-  
ernment's lots at Prince Rupert. The  
government has an agent at Prince  
Rupert in the person of W. Manson,  
formerly provincial secretary. He, how-  
ever, is not to be entrusted with the  
handling of the land and there, in-  
stead of that C. D. Rand, of Vancou-  
ver and New Westminster, is to take  
over that work.

The government's policy is open to  
grave suspicion, and will call for full  
information.

The advertising which Prince Rupert  
has received and the publicity which  
will be given to it by the G. T. P. Com-  
pany will ensure the highest prices be-  
ing received by the government if the  
business is handled properly. Advan-  
tage could easily be taken by the gov-  
ernment to put the lots on sale at the  
right time and reap an enormous re-  
venue. The advertising in large part will  
be done for the government by the  
railway company. Instead of taking  
at \$3 per acre of an additional 180 acres  
by homesteaders, but the restricted  
area to which it applies, will now af-  
fect only the district north of the In-  
ternational house at Bettendorf between  
Vancouver and Moose Jaw.

## CANADA AND THE NAVY.

Midland, May 29.—Fred Dane, deputy  
grand master of Ontario West, has  
placed before the Grand Orange Lodge  
of British America, now in session  
here, a resolution that Canada should  
contribute to the maintenance of the  
British navy. Sam Hughes, M. P., op-  
posed any contributions unless Canada  
has a word as to the disposal.

NEW MASONIC OFFICERS  
IN ALBERTA DISTRICT

Grand Lodge in Session at Ed-  
monton—New Norwood  
School.

Edmonton, May 29.—The grand lodge  
of the Masonic order for Alberta met  
again yesterday. The question of  
changing the Masonic districts was  
considered, and it was decided that  
there should be six instead of three, as  
formerly. The next meeting place was  
set down as Lethbridge.

The greater part of the morning ses-  
sion was taken up with the election of  
new officers, and this was not com-  
pleted when the grand lodge adjourned.  
Officers chosen up to adjournment are  
as follows: Grand master, Rev. W. G.  
Hogbin, Calgary; deputy grand master,  
J. T. McDonald, Calgary; senior grand  
warden, J. J. Dunlop, Edmonton; junior  
grand warden, A. E. Jamieson, Edmon-  
ton; grand treasurer, Dr. Lindsay, Cal-  
gary; grand secretary, Dr. George Mc-  
Donald.

At the session yesterday afternoon  
the matter was entirely taken up with  
the reports of committees. The new  
district deputies chosen are as follows:  
District No. 1, H. S. McLeod, Calgary;  
district No. 2, H. S. Macleod, Calgary;  
district No. 3, A. K. Dewar, Edmonton;  
district No. 4, N. E. Carruthers, La-  
combe; district No. 5, J. I. Brewster,  
Bowden; district No. 6, Percy Taylor,  
High River.

At 8 o'clock yesterday afternoon His  
Honour Judge H. C. Taylor, retiring  
grand master of the Masonic grand lodge  
of Alberta, laid the corner-stone of  
the new Norwood school. Premier  
Rutherford, minister of Education; D.  
S. McKenzie, deputy minister; the mem-  
bers of the school board, and mem-  
bers of the Masonic grand lodge of Al-  
berta were present at the ceremony,  
and several addresses were delivered.  
The corner-stone is of Kootenay marble  
on which is carved the year 1908. Sam-  
ples of wheat and oats of the Edmon-  
ton district, Peace River wheat, board  
of trade literature and copies of the  
Edmonton newspapers were placed un-  
der the corner-stone.

## TAFT FOR PRESIDENT.

Washington, D. C., May 28.—While  
no formal announcement has been  
made it may be stated definitely that  
Representative Theodore Burton, of  
Ohio, will present the name of Sec-  
retary Taft to the Chicago convention.  
Speaker Cannon bade goodbye to the  
president this morning and said that if  
congress adjourns to-morrow he would  
leave Washington to-morrow morning  
for his home.

government free of charge.

DOOM OF PRIEST  
WRIT IN BLOODLAWYER IS INVOLVED  
IN TERRIBLE THREAT

Efforts to Obtain Pardon for  
Prisoner Lead to Anony-  
mous Letter.

Chicago, Ill., May 29.—Father Peter  
J. O'Callaghan, head of the Paulist  
order in Chicago, and Attorney Francis  
Hinckley, have been informed through  
an anonymous letter, written in blood,  
and wrapped in corpse, that they have  
been marked for death by mysterious  
enemies, and that St. Mary's church,  
Walbash avenue, and Hubbard court  
have been doomed to be blown up with  
dynamite.

The threatening letter was dropped  
by an unknown hand into the poor  
box at St. Mary's church of which  
Father O'Callaghan is pastor. It was  
unsigned and undated, and on the side  
was a crude picture of a skull and  
cross bones.

Death to the priest and lawyer was  
threatened, it is believed, in consequence  
of their efforts to obtain a pardon for  
Herman Bilke, under sentence to hang  
on June 12th in the Cook county jail  
on a charge of murdering by poisoning  
six members of the Vixal family.

A chemical analysis proved that the  
red fluid in which the letter was writ-  
ten was blood and not red ink.

Father O'Callaghan declared last  
night that he would lay the letter be-  
fore Governor Deneen in the hope that  
it would induce the governor to pardon  
Bilke. Father O'Callaghan and Mr.  
Hinckley drew a confession from Jerry  
Vixal a few months ago that he had  
given perjury testimony against Bilke  
at the trial. By this means they suc-  
ceeded in bringing Bilke's case before  
the pardon board. The board sat with  
Governor Deneen in an extraordinary  
session in the district attorney office  
and examined the evidence. The in-  
vestigation led the governor to re-  
vieve Bilke and to advance the date  
of his execution to June 12th.

ANOTHER EFFORT TO  
PAY CIVIL SERVANTS

Government Still Fighting Ob-  
structionists Who Are  
Blocking Supply.

Ottawa, May 28.—The government  
will to-morrow attempt again to put  
through some of the pressing items of  
supply to pay the overdue salaries of  
the civil services throughout Canada.  
The opposition is determined absolutely  
to block supply failing the capitulation  
of the government on the election bill.  
Indications point to another all-night  
sitting to-morrow night and possibly  
all day Saturday with the resumption  
of the fight again next week, and  
all night sittings until the government  
has shown the impossibility of dealing  
under the present parliamentary rules  
with a factious and stubborn minority  
determined to avail themselves of con-  
stitutional privileges to completely  
block the whole business of the legisla-  
tion. Then the question of dissolution  
of the government and the possibility of  
applying some form of closure so  
that the minority rule may not prevail  
indefinitely will be considered.

Advices received here by the govern-  
ment show that the new election lists  
prepared by the provincial governments  
are being manipulated by the Roblin-  
Rogers machine to disfranchise Liberals  
throughout the province.

## PRESBYTERIAN RESOLUTION.

Kansas City, May 29.—That the gen-  
eral assembly of the Presbyterian  
church in the United States does not in-  
tend that a few men shall dominate the  
of the government on the election bill.  
Indications point to another all-night  
sitting to-morrow night and possibly  
all day Saturday with the resumption  
of the fight again next week, and  
all night sittings until the government  
has shown the impossibility of dealing  
under the present parliamentary rules

## RUSSIA AND PERSIA.

Foreign Office at St. Petersburg Dis-  
credits Rumor of Rupture in  
Relations.

St. Petersburg, May 29.—The reports  
published in certain London papers re-  
garding the possibility of a rupture of  
diplomatic relations between Russia and  
Persia are discredited at the foreign of-  
fice and the Persian legation here. At  
St. Petersburg the Russian government  
regarding the ability of the Shah's gov-  
ernment to restore order in the border  
provinces has been the time limit of the  
Russian ultimatum presented by General  
Sharaki, the Russian commander in the  
field. This limit expires on June 10th.

LAND POLICY AT  
PRINCE RUPERTGOVERNMENT'S COURSE  
OPEN TO CRITICISM

C. D. Rand, it is Reported, Will  
Handle Province's  
Portion.

As the time approaches for the open-  
ing up of Prince Rupert the policy of  
the provincial government in connec-  
tion with its share of the lands will be  
watched with interest. At the last ses-  
sion of the legislature, when the act  
was passed respecting the G. T. P., the  
government had the following section  
inserted: "Notwithstanding anything  
contained in the Land Act it shall be  
lawful for the lieutenant-governor in  
council to sell or lease in any way he  
may deem most conducive to the in-  
terests of the province the lots or  
blocks or any portion of the lots or  
blocks that will fall to the crown under  
the provisions of said agreement."

This action surely gives the local  
government a free enough hand to do  
almost anything it sees fit with re-  
spect to these lands. At the time the  
bill was before the House the vicious  
principle involved in this was pointed  
out by the leader of the opposition and  
other members on his side of the  
House. The attempt was made to have  
it altered so that the Land Act might  
be given effect with respect to these  
lots, the same as in other instances.

The government was inexorable,  
however. The premier insisted upon  
the section going through. No good  
reason could be pointed out why the  
government lots in Prince Rupert  
should not be sold by auction after due  
advertising, and thus bring the top-  
most price. The only reason advanced  
by members of the government was  
that they "wanted a free hand."

The province has had some experi-  
ence in giving the McBride govern-  
ment a free hand. The result has in-  
volved a great deal of trouble and  
expense, and the province reaped no  
benefit.

Now comes the report that C. D.  
Rand, who figured prominently about  
the corridors of the House last session,  
is to be given the handling of the gov-  
ernment's lots at Prince Rupert. The  
government has an agent at Prince  
Rupert in the person of W. Manson,  
formerly provincial secretary. He, how-  
ever, is not to be entrusted with the  
handling of the land and there, in-  
stead of that C. D. Rand, of Vancou-  
ver and New Westminster, is to take  
over that work.

The government's policy is open to  
grave suspicion, and will call for full  
information.

The advertising which Prince Rupert  
has received and the publicity which  
will be given to it by the G. T. P. Com-  
pany will ensure the highest prices be-  
ing received by the government if the  
business is handled properly. Advan-  
tage could easily be taken by the gov-  
ernment to put the lots on sale at the  
right time and reap an enormous re-  
venue. The advertising in large part will  
be done for the government by the  
railway company. Instead of taking  
at \$3 per acre of an additional 180 acres  
by homesteaders, but the restricted  
area to which it applies, will now af-  
fect only the district north of the In-  
ternational house at Bettendorf between  
Vancouver and Moose Jaw.

## WESTERN LANDS BILL.

Hon. Frank Oliver Explains Principle  
of Measure.

Ottawa, May 29.—Hon. F. Oliver in-  
troduced the western lands bill in the  
Commons this afternoon. He explained  
the principle of the bill was the same  
as last year respecting the proportion  
at \$3 per acre of an additional 180 acres  
by homesteaders, but the restricted  
area to which it applies, will now af-  
fect only the district north of the In-  
ternational house at Bettendorf between  
Vancouver and Moose Jaw.
