It is stated that the sergeant will refuse to resign as requested, than the other, and that he will force the commission-

ers to discharge him. Among the incidents in the home of

W. G. Oliver on Friday were two unsuccessfil attempts at suicide and a gun which follows the execution of criminals, play, which led to a physician leaving it is presumed that the remains were the house rather hurriedly. The princi-pal actors were Mr. W. G. Oliver and an Indian "of" somewhat smaller his wife, Mr. and Mrs. Oliver were mar- make. How they came to be buried just week and about 20,000 of them were minated in Friday's incidents grew, it is House square was the site of the former said, out of a suspicion on the part of jail, and Guard Joe Burr re The Kaslo & Lardeau-Duncan railway Mrs. Oliver, that her husband had not such burial there, about the time he en-

severe but not dangerous injuries

Mont., who is a guest at the Commercial Hotel, met with a serious and painful accident on Saturday night. It appears that while he had his tongue between from Victoria for the Cape.' They were his teeth he slipped in a step and the jar caused him to bite his lingual organ nearly in two. The injury is causing him in tense pain and the wound is one that is very difficult of treatment:

J. Fitzgerald, of Steveston, was fined \$25 by the police magistrate Monday fo stabbing his former mate, J. Twiggy in the leg.

The news of the appointment of Mr John Gibbins, M.R.C.V.S., as provincial government inspector under the Contagious Diseases of Animals Act, will be vell received in Vancouver and els where, Mr. Gibbins being very favorably known in his profession in respect of which he holds a high British diploma. lucted by the Ven. Archdeacon Scriven, Mr. Gibbins has taken prominent part in helping in the movement for the Prevention of Cruelty to Animals .- News-

The two latest additions to the city's fire-fighting machinery were publicly tested on Granville street on Monday The machines were the new aerial truck and the fire engine, both purchased from the Waterous Engine Company, of Brantford, Ont. The prices, delive in Vancouver, were Aerial truck, \$3,-400; fire engine, \$5,600. The two with the extra horses required represent an expenditure of nearly \$10,000 for fire protection. In addition to this the city has also purchased all new Champ chemical engine and has increased its

fire department by several men. NEW WESTMINSTER.

While the chain gang were grading the side of Clarkson street, preparatory court house, they unearthed two skeletons, human remains, which had been buried in graves not too deep. From the resignation from the force of Sergt. appearance of the skeletons, it was surmised they had lain in the ground many years; one probably some years longer

On examining the remains more closely it' was evident that the skulls in' each case had been sawn asunder, and, as this is usually done at the post mortem there is explained by the fact that Court iembers one
