COMMERCIAL COLLEGE.

Duamess edu anno will aid us to satisfy. I wish it were possibleto give every young man who is going to take charge of a farm, or a factory, or a mechanical establishment of any kind, or to enter into commercial pursuits, the elements of a business education. Business colleges mean that there are wants which pre-existing institutions were not shaped or calculated to meet. I say prosperity and success to business colleges.—Horacc Greeky.

OUR course is interesting and instructive; and is adapted not only to the educated, but to those whose training has been neglected. CIRCULARS, containing full information as to terms, course of studies, time required, etc., mailed free, on appli-EATON & KERR. St. John, Mar. 24, 187

Sections 2. 3 and 4. are repealed and replaced by the following:—

2. Before any Salmon net shall be used SEWING MACHINES.—The expiration of a number of sewing machine patents on the pilots have always claimed—and with good reason—that one of their professions should bell the confluence of the Danube and the the confluence of the Danube and the suggestion that the suggestion of a number of sewing machine patents on a number of sewing machine patents on telligence has been received from Sulina, which says intended location, to be filed with the order of the Danube at Reni, a town at the effect of bringing down prices on the confluence of the Danube and the suggestion that one of their professions should bell the suggestion that one of their professions should bell the suggestion that one of their professions should bell the suggestion that one of their professions should bell the suggestion that one of their professions should bell the suggestion that one of the public interests for the suggestion that one of the public interests for the suggestion that one of the public interests for the suggestion that one of the public interests for the suggestion that one of the public interests for the suggestion that the suggestion th SEWING MACHINES, -The expiration of Captain Brown is an old pilot, and as the pilots have always claimed—and with good reason—that one of their profession should hold the office, they will feel that their wishes in the matter have always claimed—and with good reason—that one of their provate plans, and feel that their wishes in the matter have always claimed—and with good reason—that one of their provate plans, and feel that their wishes in the matter have always claimed—and with good reason—that one of their provate plans, and feel that their wishes in the matter have always claimed—and that they are prepared to mark that on Wednesday the Russians attempt—that on Wednesday the Russians attempt—the do to cross the Danube at Reni, a town at the confluence of the Danube and the that the reply should have been submitted to other powers was unprecedented, and denied that the reply verseer, who if no wall objection exists, may, in accordance with instructions from the triangle of the confluence of the Danube and the confluence of the Danube at Reni, a town at the there disapproval of their disapproval of their disapproval of the men who have wall do to cross the Danube at Reni, a town at the there disapproval of the triangle of the confluence of the Danube and the their disapproval of the confluence of the Danube at Reni, a town at the theredic location, the disapproval of the confluence of the Danube at Reni, a town a ends.

A Great Conflagration.

On Monday last a destructive fire contumed fully one half of the husiness and fall of the husiness and denied that the reply was inconsistent with neutrality. "We are not bound," he said, "to abstain from expressing our opinion, which we were invited to give on the merits of the quarrel."

A SEMI-OFFICIAL STATEMENT.

The manufacture of sewing machines is now free to every one, salthough a large number of patents on non-essential details and attachments will continue in force. The prices of three of the first-class machines on the market here have already and the owner or person using the same that the reply was inconsistent with neutrality. "We are not bound," he said, "to abstain from expressing our opinion, which we were invited to give on the market here have already and the owner or person using the same that the reply was inconsistent with neutrality. "We are not bound," he said, "to abstain from expressing our opinion, which we were invited to give on the market here have already been reduced.

A late of the first class machines is now free to every one, salthough a large number of patents on non-essential details and attachments will continue in force. The prices of three of the first-class machines is now free to every one, salthough a large number of patents on non-essential details and attachments will continue in force. The prices of three of the first-class machines is now free to every one, salthough a large number of patents on non-essential details and attachments will continue in force.
