MISCELLANEOUS.

A HERO OF INDUSTRY.

(Eoston Post.) Out of the explosion and crash of the Harwick mine near Pittsburg, Penn., one man among the force, numbering nearly 200, at work 220 feet below the surface, was brought up with the spark nearly 200, at work 220 feet below the surface, was brought up with the spark of life still lingering in his crushed body. All the rest met instant death, dashed into fragments, mostly beyond recognition. As the relief gangs which have been sent down have cleared the openings into the headings and rooms, they have found blood spattered everywhere, burned bodies, broken and shat-tered limbs all around. The foul air has permitted the rescuers to work not more than half an hour before seeking my cherished tree? And prithee, tell

refuge at the surface, gasping for air, eyes bulging from their sockets. The workman, insensible at the time, who was brought to the surface out of this carnage was rescued by Selwyn M. Taylor, the engineer who had planned the mine, and who, on the first call, had gone down into the reek of the

after-damp to give aid to the victims there imprisoned. Mr. Taylor did not come up. He died there. It was the death of a hero. nce to Mr. McKeown's candidature in As we measure the value of life in this world, Mr. Taylor had much to able anxiety in machine Liberal cir-

cles. On Saturday neither its news nor lose. He had gained an international reputation as a mining engineer and exeditorial columns contained a reference to matters political, which friends of pert. His employes are examining mines in Asia and all parts of the Mr. McKeown consider remarkable, in world. He was also a wealthy man, his estate being estimated as worth \$800,the light of Mr. O'Brien's intimation that the present candidate would re-000. He had been employed by all the big coal corporations in that region for the last ten years as an expert. He was as well known socially. As the owner strong effort will be made this week to arouse the Globe from its chilly indifof a fine yacht, during the recent yacht erence to at least a semblance of favor races off Sandy Hook his yacht was admired by the owners of other pleasure boats which followed the contesting for the government candidate, but the success of previous efforts to whip that vessels. Mr: Taylor was arranging to go to Florida, and his vessel is now journal into line have not been such as to encourage those entrusted with the sailing to that coast. He was a mem ber of the Susquean and Monongahela clubs and the New York yacht club. Considering the many times the
