Reader, I have peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in everyease. So sure was waster will extinguish fire, so sure will this cure humor. I have never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me sucprising; first that it grows in our pastures, in some places wite plentiful, and yot its value has never been known until I discovered it in 184 i —second, that it should cure all kinds of humor In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold abiut six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have state that in April, 1853, I peddled it, and sold abiut six bottles per day—in April, 1854, I sold over one thousand bottles for mall quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wenderful virtues haye been found in it that I never sus pected.
