

**DENOMINATIONAL NEWS.**  
(All monies except legacies) contributed for denominational work, I. A. Home Missions, Foreign Missions, Canadian Missions, Ministerial Education, Ministerial Aid Fund, Grand Old Church, etc., etc., in New Brunswick and Prince Edward Island, should be sent to the Rev. J. W. Manning, St. John, N. B., and all monies for the same work from Nova Scotia should be sent to Rev. A. Gibson, Wolfville, N. S. Envelopes for collecting funds for denominational work can be had on application to the above, or to the Baptist Book Room, Halifax.)

**NEW GERMANY.**—We baptized two young men on April 15th, and will hold some special meetings at Farmington soon.  
G. P. RAYMOND.

**LOCH LOMOND.**—At a meeting held April 15, Bro. Charles Blackhouse was chosen as pastor of the church for the coming season.

**MARY ST.**—Pastor Gordon baptized eight persons in the morning, and in the evening thirty-two received the hand of fellowship, making 74 received since the beginning of the year.

**FIRST BAPTIST CHURCH, HALIFAX.**—Eleven have been received for baptism on Sunday the 6th inst. The evangelistic services of the past two weeks have been productive of good results.

**GERMAIN ST.**—On last Sunday evening the hand of fellowship was given by Pastor Gates to thirteen persons, seven of whom were received by baptism, two by experience and four by letter.

**MILL COVE, Q. C.**—The Lord is owing and blessing the united effort of pastor and people at Mill Cove. The church has been much revived. Seven have been added by baptism up to date. We expect to baptize again on Lord's day, the 13th.

**DIGBY.**—Since you last heard from us we have visited the waters twice—once in Broad Cove, when two obeyed their Lord in baptism, and here in Digby, April 1st, when six believers in Jesus followed their Lord in His own appointed ways. We expect to baptize again next Sunday. Yours in Christ, A. T. DYKEMAN.

**CUNBERLAND BAY.**—The work of the power of God is still being experienced around about and in our midst. Since last writing I have baptized, on April 15th, ten; 2nd, fourteen—making 55 in all. Still there is more to follow. I find many kind Christian workers, and still earnestly pleading for the salvation of souls. Pray for us.  
J. W. S. YOUNG.

**LITTLE GLACE BAY.**—Bro. J. A. Macle closed a series of meetings in this place April 19th. He had hoped that the two weeks' rest he had taken before beginning would prove sufficient, but experience has declared that the physician was right in advising him to take more. May the Lord speedily restore him to his usual health and enable him to do much good. Last Sunday I baptized four and there are others to follow.  
JOHN LEWIS.

**CAPE BEAR, P. E. I.**—By request of the Cape Bear branch of the Murray River church I paid them a flying visit. The church has been without ministerial aid since the departure of Rev. A. Freeman, but they have many talented men and women, and have for some time been holding meetings of special interest. Four had been received for baptism when we went to them. We held six meetings, received six more candidates for baptism, and Sunday, the 22nd, baptized ten and gave the hand of fellowship to eleven. Their names are Mrs. John Goshes, Thomas Jackson, James Jackson, Freeman Jackson, James Penny, Lizzie White, Albert Jordan, Hannah Goshes, Mrs. L. Graham. Bertie Forbes was received on experience from the Christian church.

**ALEXANDRIA, APRIL 30.**  
**BEAR RIVER.**—The following items of our church history will doubtless be of interest to the readers of the "Church News" column. 1. Twenty-three believers have come into our fellowship during the last few months—eighteen of them by baptism. These have not been the result of special services, but the fruit of our regular work as a people. 2. The various departments of church work—the B. Y. P. U., the local and denominational finance department, the Talmage Mission Circle under the direction of Mrs. Nobles, the W. M. A. and the Sunday-school—are flourishing and hopeful. 3. A four weeks' vacation for the pastor, which it is fitting he should publicly acknowledge and which is only one of many evidences of consideration on the part of this church and congregation in ministering to whom I find delight.

**B. N. NOBLES.**  
**BUTTERNUT RIDGE.**—Rev. A. F. Brown having tendered his resignation of this pastorate of this church some time ago, preached his farewell sermon Sunday, 29th. It was one with more than usual power from John 11:38. During the time of Bro. Brown's stay with us the relation between pastor and people has been a somewhat pleasant one. We feel we will lose one of the ablest ministers of our denomination, and a man who is a faithful church worker. Since he came among us we have paid a large debt that has been a burden to the church for a number of years. The church is now in a better condition financially than it has been for some time. The friends of Mr. and Mrs. Brown met at the parsonage Thursday, 29th, and as a token of their good will presented them with \$71 in cash besides a number of useful articles. We are informed that Bro. Brown has accepted an unanimous call from the Petitediac Baptist church. What is our loss! His pastorate will soon secure the services of some wise and experienced minister.

**CHURCH CLERK.**  
**MACNAQUAC.**—While God has been blessing by scattering a few drops of His mercy here and there over our land, He has not forgotten His people at Macnaquac. In mercy He came and called some to meet Him in glory, but others He has called to fill their places who willingly obeyed the call and their Saviour. It was my privilege on Sabbath, April 1st, to administer the ordinance of baptism to Mr. Elbridge Sloat and Mrs. Frank McKean, the former a promising young man, the latter a mother whose husband rejoices in having her join him in the land of heaven-bound creatures. At the close of the morning service three received the

hand of fellowship—one by letter and two by baptism. While there were only a few who put on Christ during our special meetings of two weeks, we believe the church has been greatly revived. Many who have been silent for years have again taken a firm stand for Christ. Many are troubled, for whom we are praying; others acknowledged Christ as their Saviour, whom we believe will follow Him in His appointed way in the near future. Brethren, pray for us, that these few drops may be only a token of a tidal wave of salvation that may soon sweep over our land.  
PASTOR O. E. STEVENS.

**LOWER FRENCH VILLAGE.**—The Lord is blessing the church at Nashwaak with the outpouring of the Holy Spirit. Two young persons were baptized on Sunday, April 15th. Their names are: Frank Brown and Bertha Manser, and they give promise of being useful to the Master's cause here. It was my privilege on Sunday, the 22nd, to baptize three more in the beautiful Nashwaak River—one an elderly lady, Mrs. Benjamin, and another, Mrs. Whitefield White, eldest daughter of Deacon John Kilburn of Macnaquac, and also Freddy Goodspeed, youngest son of Mr. Luther Goodspeed of Peniac. The church and its pastor rejoice in the goodness of God towards them. We expect several others in due time.  
F. B. KNIGHT.

**PORT BISKERTON, GUYBORO CO.**—As a mixed community, we have in Christ we have formed ourselves into a Union Building Committee for the following reason: As Baptists we are not able to build; as Presbyterians we are not able to build; and as Methodists we stand no better chance than other other brethren. There being no suitable building for the worship of God we adopted this plan of unity, as union gives strength. We have \$116.67 in funds, and our motto is to build a house for God's people worthy in Him, and we ask our Baptist brothers and sisters to contribute to our wants. We also ask our Methodist and Presbyterian brothers and sisters to aid us in this work. We hope our dear brethren and sisters will give the matter their close consideration. We are poor and need help, and it is our prayer that God will bless the cheerful giver and prompt the Union brethren to open their purses to this noble cause. All donations sent to B. C. Horton, secretary Union Building Fund, Port Biskerton, Guyboro Co.

**MARGAREE.**—We were permitted yesterday, the 29th April, to visit the beautiful Margaree river and bury beneath its sparkling waters, in obedience to Divine command, three happy candidates, namely, Edith Crowdie, Cassie Pushie and Mary Burton. These young sisters already give evidence of their usefulness to both church and Sunday-school. We expect other soon to follow in this assurance. We are glad to be able to state that our Sunday-school is still increasing in numbers and interest. Some eight months ago we numbered five classes; we have now ten classes. We secured 130 lesson helps for the present quarter. They have been distributed, and we have ordered 30 more to supply those scholars without them. We hope that from the real earnest manifested for the study of God's Word by the young, much good will result, and may find Christ to be their Saviour.

**WILLIAM WETMORE.**  
N. E. Margaree, April 30.

**PERSEUS.**  
We were pleased to have a call the other day from Rev. Isaiah Wallace, who has lately been engaged in successful evangelistic work in the northern part of this province and to see him looking remarkably well. Probably none of our ministers has so extensive a personal acquaintance with the Baptist churches of these provinces as Bro. Wallace. He has been abundant in labors and his work has been signally honored. For nearly or quite forty years now, Bro. Wallace has been blowing the gospel trumpet, and he has not yet grown weary of making known the good tidings. May he still have the joy of welcoming many into the kingdom of Christ. Bro. Wallace expected to spend Sunday at Weymouth, Digby Co., and afterwards return to his home in Wolfville.

**Rev. C. H. Martell, of Fairville, St. John,** has received and accepted from the First Cornwallis church, N. S., a unanimous call to its pastorate. This church was organized in 1838, and its first pastor was Rev. E. Manning, who continued in that relationship for many years, and was succeeded by Rev. A. S. Hunt, who served the church for some twenty years. His successor, Rev. B. E. Kempton, resigned a few months ago after a pastorate of twenty-six years. The church has been blessed in the ministry of faithful men. We understand that it has chosen its prospective pastor without having heard him preach, but we feel sure it will have no reason to regret its choice. As preacher and pastor Mr. Martell has done faithful work in Fairville, and has not only won the strong regard of his people but is held in high esteem by all who have been a burden to the church for a number of years. The church is now in a better condition financially than it has been for some time. The friends of Mr. and Mrs. Brown met at the parsonage Thursday, 29th, and as a token of their good will presented them with \$71 in cash besides a number of useful articles. **"We always fry ours in Cottolene."**  
Our Meat, Fish, Oysters, Sarcotoga Chips, Eggs, Doughnuts, Vegetables, etc.  
Like most other people, our folks formerly used lard for all such purposes. When it disagreed with any of the family (which it often did) we said it was "too rich." We finally tried

**Cottolene**  
and not one of us has had an attack of "richness" since. We further found that, unlike lard, Cottolene had no unpleasant odor when cooking, and lastly Mother's favorite and conservative cooking authority came out and gave it a big recommendation which clinched the matter. So that's why we always fry ours in Cottolene.

Sold in 2 and 5 lb. tins, by all grocers. Made only by THE N. K. FAIRBANK COMPANY, Wellington and Ann Streets, MONTREAL.

**Tied Down**  
—the woman who doesn't use Pearline. She's tied to her work, and tired with it, too. Pearline makes another woman of her. It washes and cleans in half the time, with half the work. Nothing can be hurt by it, and every thing is saved with it. Pearline does away with the Rub, Rub, Rub. Pearline does more than soap; soap gives you more to do.

Feddies and some unscrupulous grocers will tell you, "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, if your grocer sends you an imitation, be honest—send it back.

JAMES FYLE, New York.

**Beware**  
of imitations. Be honest—send it back.
