INSPIRATION FOR SPIRITUALISTS

Mother Was Rewarded for
Faith by Having Little
Daughter Returned to Her.

Madison Beach, Cal., March 20.—A spirit baby is the inspiration for a spiritualist colony to be instituted here. The spirit baby is the nine-month-old daughter of Mrs. Ada May Robinson. The mother says little Virginia Constantine is a child resurrected from the grave. The advent of the spirit baby has interested spiritualists throughout the world. Some believe the spirits of those departed return to their bodies as infants who have been dead several months. Others suspect some hoax.

First Born Oct. 1919.

It was on Oct. 1, 1919, that Mrs. Robinson gave birth to a daughter in the hospital at Dyar, Ia. With in five hours the child died and was buried the next day. The mother collapsed completely and for three weeks lay between life and death. Finally she recovered and returned to the home of her husband, a prosperous farmer, a few miles from here. There she met Mrs. James O'Neil, a spiritualist, who was employed by her husband. Mrs. Wheeler converted her to spiritualism.

Only Faith Needed.

"Anything is possible if you have great enough faith," is what Mrs. Robinson says. Mrs. Thompson told her, "So," Mrs. Robinson continues, "I expressed a wish for the restoration of my baby. Mrs. Thompson told me to fast and to pray."

Gang Leader Slain After A Holdup

Police Say Shooting Was Result of Quarrel Over Division of Loot.

New York, March 30.—A man was shot and killed early yesterday in front of 235 East 101st street, a victim, according to the police, of members of his own gang with whom he had robbed a saloon at 1761 Third avenue. Patrolman Samuel Rosenman, on post about a block away, heard the shot, and reached the scene a few minutes before the man died. He found him lying on his side, conscious but sinking fast.

"Why did it?" the policeman asked. The man shook his head and made no effort to reply. Before an ambulance, which had been called from Hedges Hospital, arrived, he was dead.

The policeman found papers which identified the man as James Hayes, 19, of 1245 Second avenue, John Malaga, of 81 Clinton street, owner of the saloon, was called to the station, and was said to have identified the body as that of one of the four holdup men.

The holdup was to the saloon late Saturday night, struck Malaga on the head with a blackjack, and broke several of the mirrors back of the bar. When they opened the cash register and took \$150.

"The killing of Hayes, as the police said it up, may have been due to a quarrel over the division of the loot. Hayes, it was said, had been out of work for three months, and was regarded to be a leader of a gang centring around 101st street. He had a badge as a licensed chauffeur.

Frank A. Woods, 19, of 1956 Second avenue, was arraigned on a charge of grand larceny before Magistrate MacLean in connection with the holdup, and held in \$15,000 bail for examination today.

"PUSSYFOOT" FOR INDIA.

Chicago, March 30.—India is going dry! This statement is based on the assertion of Wm. E. (Pussyfoot) Johnson. He is going to India in a few months, he said, while in Chicago today, to see that it is carried out.

After resting a week, Mr. Johnson expects to go to Ontario for a series of meetings. Then he will go to England and from there to India.

Naturally every one was terrified, for an elephant gets out of hand it is a little difficult to know what it will do next, and also it is hard to decide upon the right way to rescue any one placed in such an awkward situation. However, his intentions were not very evil, for, after frightening every one, the beast deposited his burden beneath a tree and started off in hot pursuit of some natives in the distance.

Lady Chalmersford was naturally in a state of collapse after this extraordinary adventure, and it is said that it has had the effect of cooling any ardor she had previously displayed in the way of big game shooting. The elephant was shot.

The average school term provided in the United States is a little over 160 days, or eight months. Although the States provide 22 years of elementary and secondary schooling, the average American child goes to public school only 6.7 years.

Elephant, Angry, Kidnaps A Woman

Viceroy's Wife Seized But
Escaped Without Harm—
Animal Later Shot.

London, March 30.—It is not often that even a vicereine of India has such a thrilling experience as that which befell Lady Chalmersford the other day when she attempted a "shoot" given by the viceroy (Lord Chalmersford) recently.

As probably you are aware, most of the members of a vicereine's hunting party go to a "shoot" mounted on elephants. One of the finest of these animals was provided for the use of Lady Chalmersford, but he happened to be in a rather bad humor for this particular occasion, and just before her ladyship was mounted, she, by way of encouragement, came close to him and stroked his trunk.

Evidently her attention did not have the desired effect, for he picked up the poor woman, lifted her in the air and walked off with her.

Hero of Balaklava Relates His
Experience at Harlem Y.
M. C. A.

New York, March 30.—George Jones of Woodside, N. J., the last surviving member of the Light Brigade, drew a graphic picture yesterday at the Harlem Y. M. C. A. in 125th street of the trials and hardships of war in the days before advanced surgery and Red Cross organization.

Mr. Jones, who is 84 years old, is the last of the 600 who lived after the famous onslaught of the "noble six hundred" on the Russian guns at Balaklava. Wounded in the charge, Mr. Jones was sent to one of the British hospital ships at Sebastopol, and later was taken to a field hospital, where he was nursed by Florence Nightingale, the founder of the Red Cross. He was a mere boy at the time he landed in the Crimea, and came to this country about ten years after the Crimean War. He was naturalized in 1870.

In preparation against war, the United States this year will spend \$1,046 in the form of a donation toward The Hague Peace Palace. To get ready for future wars the Government this year will spend \$29,000, or about 25 per cent. of the total appropriations.

Throughout the United States the American Legion is now represented by 10,300 posts and 2,150 auxiliary units.

HEARTBURN LIVER TROUBLE

When the liver becomes torpid and indigestion, it cannot furnish sufficient bile to the bowels, thus causing them to become constipated. The stomach is also affected. In the case of heartburn there is a gnawing and burning pain in the stomach, attended by disturbed appetite, nausea and great acidity. Whenever too much food is taken, it is liable to ferment, and become extremely sour, vomiting often occurs and what is thrown up is sour and sometimes bitter.

Other liver trouble symptoms are pain under the right shoulder, yellowness of the skin and eyes, swelling of the abdomen, constipation, bad taste in the morning, food breath, water brush, jaundice, constipation, etc.

Keep your liver active by using Mifflin's Lax-Liver Pills and you will have no heartburn or other liver troubles. Being purely vegetable they do not grip, weaken or sicken like the old-fashioned purgatives generally do.

Mrs. Mary Strong, Glenview, Ill., writes:—"I have used Mifflin's Lax-Liver Pills, and they have cleared me of heartburn and liver trouble. I don't think they can be beaten by any other medicine, and I can highly recommend them."

How is this for a possible week's work? 21,556,000 votes

You will be surprised to see how rapidly the votes will count up if you will go after them in earnest.

The Last Special Prize of The Standard's Contest

A magnificent, new, five-passenger Maxwell Touring Car with a value of \$1400 will be given away as a special prize in The Standard's contest to the contestant who turns in the greatest amount of subscription money during a three-week period beginning today and ending Monday, April 11th at 6 p.m.

This is the last special prize of the Contest. The Maxwell auto was purchased from and is on exhibition at The Princess Garage, Princess St. (Agency for the Maxwell).

New contestants may enroll and compete for the special prize Maxwell only if they wish. All contestants start with a "clean slate" for the special prize Maxwell. Work done previously in the contest does not count on the Maxwell therefore new contestants or those low in the list have an equal chance to win it, with these topping the published list.

All votes secured while working for the Maxwell will count towards the regular prizes, consisting of the Studebaker, the Gray-Dort, the Regular prize Ford, the Movie Star Contracts and the other regular prizes.

THE QUADRUPLE VOTE OFFER

To add the contestants in getting an early start for the special prize Maxwell offer, four times the regular number of votes will be given on all subscriptions turned in this week, as follows:

Length of Subscription..... 22,000 votes

6 months	88,000 votes
1 year	220,000 votes
2 years	336,000 votes
3 years	396,000 votes
4 years	554,000 votes
5 years	722,000 votes

Four times the regular number of votes will also be given on second payment subscriptions.

Four times the regular number of votes will also be given on the 10,000 extra votes given for NEW business.

\$1,000 REWARD

will be given, if at any time during the remainder of The Standard's big prize contest, a better vote offer than the Quadruple Vote offer is given. This is conclusive evidence, therefore, that the best offer of the contest is now in vogue. Get busy, Contestants, and make every minute count this week, while this quadruple vote offer is on. The Maxwell auto offer is also the last extra prize offer of the contest. You have a double incentive this week for putting forth your best efforts.

SECOND PAYMENT SUBSCRIPTIONS

If you have worked your territory thoroughly, and do not know where to obtain subscriptions, why not call on the surrounding towns, or see the farmers in the rural districts? Or if you are not in a position to get out of your town, why not try to get second payments from the subscribers who have given you short term subscriptions? You can gain many votes this way. For instance: Suppose Mr. A. gave you a six-months subscription, the first week of the Contest when the first vote schedule was in force. You received 8,000 votes for this six-months subscription. Now if you can get Mr. A. to give you another six months which would make up a full year's subscription you will receive enough additional votes for the second payment of six months to balance up the votes for a full year during the period when the first payment was made, or 24,000 votes. If this six months of Mr. A. was a new subscription, you would receive 10,000 votes in addition to the 24,000. During the Quadruple vote offer 4 times 24,000 votes, or 96,000 votes would be given on this second payment. Or suppose Mr. A. gave you one year's subscription between the dates of Jan. 31st and Feb. 19th you received 30,000 votes if it was an old subscription. Now if he gives you another four years to make up the full five years, you will receive the difference between 270,000 votes (which was given for a five-year subscription between Jan. 31st and Feb. 19th), and the 30,000 votes you have already received, or 240,000. During the quadruple vote offer 4 times 240,000 votes would be given on this second payment, or 960,000 votes. In figuring up the votes for the second payment compute them on the schedule in force when you turned the first payment into the Contest office.

During the Quadruple vote offer, four times the regular amount of votes are allowed for second payment subscriptions. Multiply the regular number of votes allowed on your second payments by four.

NOTE:—Subscriptions of this kind are to be marked "Second Payment" on the receipt stub, and on the back of the stub you must write the date when you turned in the first payment, the amount of cash paid for the first payment, and whether the first payment was new or old; also give the receipt number of the first payment.
