WHICH will save considerable time and it will clear the article from dirt or grease, as well as produce a most brilliant polish.

The Proprietor can, with the greatest confidence, recommend his "CHAMPION PLATE POLISH" as an article superior to anything of the kind ever offered to the public. One trial of it will ensure constant use: and as it saves so much time and labour, besides producing a very lessing polish, Housekeepers will find it worth their while to use "Atkinson"s Champion rent colours, at seventeen cents each.

The Value of Land Grasse. The average price at which the twenty-six leading Land-grant Railroads have thus far sold their lands, is \$7.04 per acre—the highest average of any grant being \$13.98, and the lowest \$3.07. With few exceptions, the average selling price has steadily increased from year to year.
