For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption. Building science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues; throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that Cherry Pectoral will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which best the Throat and Chest of Childhood, Cherry Pectoral, is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts specilly and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected. THE splendid steamship "Olympia," 2,200 tons, Captain John Young, sailed from Glasgow for this Port on Wednesday, 22th in st. and will. after discharging Freight, &c., proceed to New York, loading, thence for Glasgow. General Agent for Maritime Provinces. Nursery Rhymes, No. 9. EASTERN EXPRESS COMP'1 A very lean pig, on a windy day,
Stood alone by a garden gate;
He couldn't get in. for the gate was locked,
And sadly he moaned o'er his fate.
Then he wiped his eyes with a carl of his tail,
And gracefully stood on his ear.
And a trembling tear coursed down his spine.
Till his face turned the color of cwir.
His snoot grew flat, and gray were his locks,
When a knot-hole round he espied:
And he sat on the silken folds of his paw,
And peered through that loop hole wide.
He saw the sun in a golden beam, OVERLAND EXPRESS.

He loaded his skin till it cou'dn't hold more And his sides began to expand His face got cheeky; stout grew his limbs, And he left for his native land. Government Savings Banks.
