FREDERICTON, April 14. After recess on Saturday the third reading of the bill for the removal of the rails of the People's Street Railway Co. Gloucester with Mr. Anglin. from Prince William street, St. John, was opposed by Hon. Mr. Willis, and the bill

The House then rose till after dinner. There are ninety-six bills to be assented to, and the House will prorogue at 5 o'clock.

Music Union Concerts. The second concert under the leadership of Mr. T. H. Hall will take place to night in the Academy of Music. The Oratorio "Daniel or the Captivity and Restoration of the Children of Israel" is the piece on the programme, with Mrs. Perley as soprano soloist, and a chorus of seventy voices. The Union have spent a great deal of time rehearsing this piece and, no doubt, there will be some good singing to-night. The object also for which the concerts are given, the liquidation of the debt of the Y. M. C. A., should fill the house.

The Bravery of Rev. Mr. Ancieut. [Halifax (April 7) Special Despatch to the New York Tribune.] The Rev. Mr. Ancient, the brave man who rescued Chief Officer Firth, is in family, his father being a helpless paraly- charge of the church at Terence Bay. He labors here as a missionary for the Colonial Chnrch Society. His people almost worship him, and he is as good as Business men in every department of Trade, Lawyers, Doctors, Landlords and his home near the plain little chapel on the hill. He is a man about 36 years of

ing professional and business men, and so unpretendingly that his noble action speaks more loudly than his own modest words. the Board of Health the other day reported the Fish Market to be in a very fithy state, and informed those having charge if it was not cleaned within twenty-four hours it would be closed, as it endangered public health. The warning was taken and the place cleaned with all speed. There are a good many nuisances around the city that the authorities might look after. See, for instance, the amount of fith emptied at Reed's Point, where they are filling up that hole between the street and the new wharf.

Heavy Failure in Boston.

Messrs. Cutler, McLean & Co., lumber dealers in Boston, have failed. Their liabilities are from one to two millions. The failure is supposed to seriously affect many Nova Scotta and New Brunswick lumber shippers.

Sunday Services.

The Presbyterian clergymen from addistance occupied nearly all the dissenting pulpits yesterday. The services were well attended and excellent discourses were delivered. The Rev. Mr. Jenkins, grandfather of "Ginx's Baby," preached in the Rev. Mr. Cate's church in the morning and in the Kirk in the evening. The congregation of St. David's church, now without a pastor, have their eyes on some of the "great guns" of the denomination now in this city.

He passed his examination and has taken orders, determined to become a fisher of men. He is a man thoroughly in earnest, but not so serious that he could not laugh heartly when he spoke of Officer Firth's solicitude for his shins. Like the fisherman preacher of the Sea of Galilee, he knows how to cast his net for souls, and if he is not a Peter himself, he has in the most literal sense built his church upon a rock; and may the gates of hell never prevail against
