> The Grand Trunk Railway has issued a notice that they will cause to be impounded all horses, sheep, cattle or swine found running at large on the public highways within half a mile of any public road crossing of their railway. If enforced this should effectually put an end to the cattle nuisance on the north side the Beaver in Beaverton, and THE EXPRESS sincerely hopes it will, as a greater nuisance than the wandering cattle of this village does not exist.

We regret having to record the death of John McLeod Cameron, son of the late James Cameron. Deceased had been ill for some time suffering from consumption, but until a short time ago was able to be about. Death, however, came quickly and he died on Monday last. The funeral on Tuesday was largely attended especially by the young people among whom he was a general favorite. A beautiful floral wreath from the young men of the village was among the offerings. Deceased was 19 years of age.

## Presbytery of Lindsay.

The Presbytery of Lindsay met in the new Presbyterian church, Wick, on the 18th inst. The Rev. R. Johnson, Moderator, in the chair. There was not as good an attendence of either ministers or elders as expected. The congregation of Sonya were permitted to purchase the congregational church at Croswell and to make that point a part of Sonya charge with regular services. The Rev. J. M. Camerou, late of Oak street church, Toronto, was inducted into the pastoral charge of Wick. At the induction service the Rev. G. McKay of Thorah council met for the last time | Sunderland, preached; the Rev. W.G. Hanna narrated the steps taken to get Mr Cameron and after the induction addressed the minster and the Rev D. D. Rev. W. Leask occupied the pulpit McDonald addressed the congregation. of Knox church on Sabbath last, Mr. Hanna then escorted the pastor to Rev. #### WOODVILLE

The council met on Saturday evening for the last time in 1894. A large number attended the shooting

match held in the village yesterday. Rumor has it that Warner & Co., of Lindsay will open a branch store here

There are rumors that three or four are aspiring for the position of Reeve of the village but as yet none of them have made any public announcement of their

During the next two weeks, there will e numerous entertainments. In fact the indications point, to a continual round of pleasure during the holiday.

Rev. Mr. Totten, of Lindsay, occupied the pulpit in the Methodist Church here on Sabbath last both morning and evening and preached two eloquent sermons.

Rev. Mr. Shorey, delivered a lecture in the Methodist church on Monday evening last, entitled "The Parliament of Religions at the World's Fair." The Rev. gentleman handled the subject in a very able manner. The audience was not

In reading the papers, we notice a great many small villages infested with some contagious disease. Woodville has escaped almost all types of disease and we pride ourselves on having one of the healthiest villages in the province.

#### MARIPOSA.

The annual meeting of the patrons of Mariposa cheese factory was held in the Grange hall on Wednesday last. Quite a number turned out and after reviewing the work of the last year seemed highly pleased with the results.

The mild spell of weather we have had during the past week has left the roads in these parts in bad shape. However, we expect to see a change soon.

#### KIRKFIELD.

Preparations are now under way for the holding of a bazaar by Rev. Father Sweeney during the winter.

#### SEBRIGHT.

On Thursday, the 13th one of the most successful entertainments ever held here took place under the auspices of the Ladies' Aid Society of the Presby terian church, at the residence of Mr. Alex McDonald A lengthy programme was dispensed with and the evening was one of enjoyment. The affair was a success financially.

To morrow the closing exercises of the school take place and the popular teacher is having a Christmas tree in connection therewith. Outside talent | tion. as well as local has been secured and we have no doubt that the event will be a success. We hope to see a large turn
